Hundreds of members of the Woman Suffrage Party in Dauphin county as well as hundreds of sympatrizers with the cause not yet formally affiliated with an organization will so "dry for a day" if a plan now believed considered by effected out. The proposed action of the local suffragists is the amplification of a plan just announced by Dr. Anna Howard Shaw and the women's congressional committee of the National Woman Suffrage party. Another plan being considered is the continuation of the self-sacrifice period to include two weeks' time. Officers of the first district of the Woman Suffrage party in Dauphin county which includes Harrisburg are Dr. Ruth Deeter, vice-leader; Dr. Maud Exley, treasurer; Mrs. C. Glies Flower, secretary. If this plan is carried out the first two weeks in August will probably be selected as the time.

It is likely that the Central Pennsylvania Suffrage Association, which operates in Harrisburg, and of which Mrs. Mabel Cronise Jones is president will co-operate in the movement, although this could not be determined to-day as Mrs. Jones is out of the city. captain Ubberoth Wins

Philadelphia, July 7.—Captain P. H.
Uberroth, of the revenue cutter service, ended a 5,000 mile race from Unalaska to-day when he arrived at the bedside of his wife in this city.

Mrs. Uberroth was stricken several weeks ago and a serious operation became necessary. Her husband, who was in command of the revenue cutter MecCulloch in Alaskan waters, was notified and left on his long journey fourteen days ago. His son, Lleuten ant F. E. P. Uberroth, who was on the battleship Vermont at Vera Cruz, was also summoned and arrived home Saturday night.

The meeting is to discuss the campaign plans, chiefly finance, and tours of the State, but it is probable that considerable time will be taken up in straightening out contests. Thus far the row over the election of the Susquehanna county chairman is the only one on file at the headquarters here, although it is stated that a formal attack on the Philadelphia Democratic city committee by the Thornton-Hill faction may be in the hands of State Chairman Roland S. Morris. The contest of the Huntingdon county chairmanship has not showed up.

If any move to throw out the Philadelphia city committee because of its failure to declare for the platform is started it may be possible that other [Continued on Page 9]
