

The Dives, Pomeroy & Stewart Mill and Factory Sale

Begins To-morrow

THE Semi-Annual Mill and Factory Sale opens to-morrow with the most notable list of attractively priced items that we have ever had the good fortune to present in any sale. Some high grade mills whose stocks had to be turned into instant cash to avoid financial embarrassment sent us their most staple merchandise at savings that we had never before realized, while from others we procured various lots at remarkable price concessions.

More than a half million dollars' worth of dependable, in-season merchandise awaits you in the Mill and Factory Sale. It will be well worth your while to be here to-morrow.

The Mill and Factory Sale Brings Summer's Most Interesting Values In Wanted Dress Cottons

Large purchases of new cotton dress goods enter the Mill and Factory Sale at matchless values, which are all the more desirable because of the stylish, up-to-the-minute patterns and weaves. The savings are typical Mill and Factory Sale economies.
