City Tax Collector Says He's Sending Out Notices as Matter of Courtesy

Clerks in the office of the City Treasury are working overtime these days handling the rush of citizens who are eager to take advantage of the 1 per cent. abatement on taxes.

Up until two years ago July 1 was the time allowed upon which the 1 per cent. abatement was obtainable on city taxes. Last year and this year, however, the time had been advanced one month so that any citizen can have the advantage of the abatement if he squares his bill before August 1. However, a lot of folks still believe the July 1 time limit still holds and usually there is quite a rush to the City Treasurer's office at this time of year.

Some peope have complained at not receiving their tax statements in sufficient time before July 1 to take advantage of the abatement provided the July 1 date still held. In discussing this to-day Captain O. M. Copelin, the City Treasurer, said:

"We are not required to send out the city tax statements and we only do it as a matter of courtesy.
