New Haven Is Subjected to Sharp Selling Attack

New York, July 10. - Representative steel was supported at concessions, but it was evident that traders to whose operations the market was limited, was indisposed to take the bull side until support became of a more impressive character. Canadian Pacific and Chesapeake and Ohio continued weak and towards midday selling of New York Central at a two-point decline, imparted fresh uncertainty. Steel was strongest of the leaders in anticipation of a favorable June statement. Among specialties only the fertilizers and Westinghouse were strong. Bonds were easy. New Haven was subjected to another selling attack at midday, the stock falling to 59 1/2, an overnight loss of practically three points.

B. F. R. E. Member Hit in Shoulder During Fight on West Shore

Witnesses testified that Erford was shot during a mix-up between strikers and a number of foreign employes of the Pennsylvania when they were on their way from work at 6 o'clock last evening. Erford was brought to the Harrisburg Hospital and was treated for a gunshot wound on the left shoulder. Morrone was arrested and was held in the Dauphin county jail until the hearing this afternoon.

Erford, who had been employed as a car inspector by the Pennsylvania Railroad, was one of the men who quit work on strike when the strike was called. He, with several companions, were on their way to Enola. A short distance from West Fairview, according to Erford, he and his companions met Morrone and several trackmen, who had just quit work.

The foreigners, according to Erford, became abusive and when Erford picked up a stone to throw at the Italians Morrone, who was carrying a gun, opened fire. Erford and his companions ran, but several shots hit Erford on the shoulder.

The Foreigner's Story - told Edwin J. Cranford, lieutenant of police of the Pennsylvania Railroad, an entirely different story and at the hearing this afternoon repeated his explanation of the shooting. Morrone said to Cranford:

"I was on my way home from work about 5.30 last evening. Near West Fairview Erford and three other men met us and called us 'scabs.' We went on about our business and the men threw stones at us. Then I shot off the gun in the air. I did not know I had hit any person. Every evening when we come from work these men meet us and call us 'scabs.' They stoned us several times."

John A. McDevitt, vice-president of the Brotherhood of Federated Railway Employers, represented Erford at the hearing this afternoon.
