COMING AT EPHRATA

New Reformed Church Edifice and New National Bank Building

Ephrata, Pa., July 11.-On Monday the work of tearing down the frame church edifice in use for about twenty years past by the Bethany Reformed congregation was begun preparatory to specting a fine new house of worships at a cost of over \$20,090, more than two-thirds of the amount being already pledgad. The new church will be a substantial brick structure with Sunday school room and auditorium on the same floor, which, when used together, will seat an audience of about 800 people. The structure will be 107 feet long and will have a width of 40 feet in the front portion and 75 feet in the rear. Chares F. Rabenhold, of Philadelphia, has drawn the plans. Under the pastorate of the Rev. A. S. Meck Bethany Reformed Church and Sunday School have been growing rapidly and the need of a larger edifice has been felt for some time.—Work on the new bank building which the Farmers National Bank of Ephrata is erecting is steadily going forward under the direction of Mr. Perinchef, of the Bankers' Bureau, of New York city, who have the work of building in charge. When of Ephrata is erecting is steadily going forward and it is expected that the improvements will be one of the finest and best equipped in its new uses as the Eby shoe factory is rapidly going forward and it is expected that the improvements will be completed by September 1, when the work of manufacturing shoes will be begun. The Harry Eby Shoe Company, of Ephrata, which will occupy the building, was chartered by the incorporators being S. Millo Herr and Martin L. Eby, of Lancaster; Harry E by, Elain N.
