SEE YOUNG IN THIRD AUTO LICENSE CASE

[Continued From First Page]

S. L. Mestreat declined on Saturday to make the appeal of the automobile license case a supercedens.

Young Here Tomorrow Mr. Young will be here to-morrow and the Auditor General will meet during the day to decide what to do about the matter.

It was announced at the State Highway Department that plans were perfected to start work on repair of State Highways throughout the State at once and that the decision of Justice Mestreat would mean that those highways most in need of immediate attention would be taken care of first.

Capitol Hill was busy discussing the outcome of the action to-day and it was expected that there would be no further delay in giving the money to the Highway Department, so that it can start work on the badly rundown highways.
