The bomb was made of a glass bottle, with a fuse drawn through the cork, and its clumsy construction caused the fuse to go out when it struck the floor. A Home Recipe For Wrinkled, Saggy Skin

The famous saxolite lotion recommended by beauty specialists for removing wrinkles and for reducing dis-tended pores, can be easily made at home. Ask your druggist for saxolite in powdered form, 1 oz., and 1/2 pint witch hazel. Dissolve the powder in the witch hazel and bathe the face, neck and hands in the solution. Results are remarkable, and instantaneous. The skin tightens, and this naturally reduces the wrinkles, as well as creases or folds about the neck, cheeks or hands. The tissue beneath the skin also becomes firmer and more solid. One feels much refreshed and exhilarated after using this truly wonderful and harmless wash lotion. Its continued use once a day for only a short time makes the average person look ten or fifteen years younger.

MRS. BEIDEL TELLS WOMEN. How Lydia E. Pinkham's Vegetable Compound Kept Her in Health for 14 Years.

Shippensburg, Pa.—“It was several years ago that I started taking Lydia E. Pinkham's Vegetable Compound. I then suffered terribly every month. My husband bought me a bottle of it and it helped me right away. Then after my second child was born I had a female trouble very badly and I used Lydia E. Lately I have given the Compound to my daughter and I wish all suffering women would take it and be convinced of its worth.”—Mrs. JAMES A. BEIDEL, 113 N. Penn Street, Shippensburg, Pa.

Lydia E. Pinkham's Vegetable Compound, made from native roots and herbs, contains no narcotic or harmful drugs, and to-day holds the record of being the most successful remedy for female ills we know of, and thousands of voluntary testimonials on file in the Pinkham laboratory at Lynn, Mass., seem to prove this fact. If you have the slightest doubt that Lydia E. Pinkham's Vegetable Compound will help you, write to Lydia E. Pinkham Medicine Co. (confidential) Lynn, Mass., for advice. Your letter will be opened, read and answered by a woman, and held in strict confidence.
