AT THE COLONIAL THEATER

Jesse L. Lasky, producer of "The Redheads," "Trained Nurses" and other musical comedy concections that have drawn big crowds to the Orpheum, broke away from gowns and girls when he devised "Bloping," and acted upon the inspiration of good humor to such an extent that the act is one long, loud laugh for the audilence, "Eloping" is one of the features of the Colonial's bill the first half or this week, and it drew big houses yesterday. In this comedy there is a horse who is enough to make one of his own like laugh. What this horse doesn't do by way of contortions and hish-steping isn't to be imagined, the house simply rours with laugh when the more simply rours with laugh when the more than the control of the colonial's bill the first half or the park audience with the best ariely believed the park audience with the best ariely believed to be in the park audience with the best ariely believed to be important of the colonial's bill the first half or this own like laugh. Definite announcement yesterday at Reservoir to the effect that Farley Gannett, chief engineer of the State Water Supply Commission and here tofore teammate with William McCreath, the city doubles championship holders, will not play with McCreath in the 1914 city championship tournament, created a real stir on the tennis courts and the dopesters had their jobs cut out for them all over again.

Embarrassing Hairs Can Be Quickly Removed

(Beauty Culture.)

(Beauty Culture.)

Hairs can be easily banished from the skin by this quick, palnless method: Mix into a stiff paste some powdered delatone and water, spread on hairy surface and in 2 or 3 minutes rub off, wash the skin and it will be free from hair or blemish. Excepting in very stubborn growths, one application is sufficient. To avoid disappointment, buy the delatone in an original package.—Advertisement. -Advertisement
