

TRI-STATE STRIKE OVER IN ONE DAY

President George Graham Met Conditions Promptly; Six Players Suspended

Tri-State League wreckers yesterday were again at work in Lancaster, but once more their efforts were a flat failure. President George M. Graham proved he was the real boss, and that he does not propose to tolerate anything that is unfair.

Six of the Lancaster players refused to go to Allentown with Manager Eddie Hooper until they had been paid two weeks' salary due them on their contract with York backers. Manager Hooper informed the players that there was money sufficient to meet the salaries due, and the players would be paid when they reached Allentown. This information was not taken seriously. Manager Hooper then cancelled the game with Allentown and wired for President Graham.

The Tri-State leader reached Lancaster at 2 o'clock yesterday afternoon. One-half hour later six Lancaster players, Guy Millman, E. J. Lidgate, Frank Swayne, Gus Dundon, Roy Doty and John Owen, were disciplined yesterday by President Graham, of the Tri-State League, for insubordination. In a statement, President Graham said:

"There was no possible excuse for this breach of baseball law. The money was only overdue five days, the regular pay day being July 15. I had informed the players through Manager Hooper and Business Manager Douglas, that in order to raise the current payroll, the money on Saturday's game would be needed and the checks would be mailed on Monday and received by the men in Allentown on Tuesday morning in the first mail. The money was not in hand, in order to go to Allentown they should have taken a 9 o'clock train from Lancaster. At 8:30 a. m., before the banks had opened or it was possible to secure funds, they announced that they would not go to Allentown unless the money was immediately in hand.

"Manager Hooper phoned me to Philadelphia. I told him to assure the men that the money would be waiting for them in Allentown tomorrow, but if they declined to report for the scheduled game they would make themselves liable to a penalty of suspension for the rest of the season and a fine to cover the money due them to date.

"This statement, made by Messrs. Douglas and Hooper to the men, caused about half of the team to agree to go, but Messrs. Millman, Lidgate, Swayne, Dundon, Doty and Owens held out consequently. Allentown was left without a scheduled game and there was nothing to do but impose discipline on the offenders.

"The places of the suspended men will be filled by competent players, of whom a number have been offered from various sources, and Lancaster will meet Allentown and play the remainder of its schedule with a strong team."

Fultz's Ultimatum in Strike Issue

The letter written by President David L. Fultz of the Baseball Players' Fraternity, follows in full: "Mr. August Herrmann, Chairman National Commission: "Dear Sir: "Inasmuch as Organized Ball seeks to continue its violation of Section 18 and several other sections of the Cincinnati Agreement, which agreement is a part of every player's contract, the Board of Directors of the Baseball Players' Fraternity has authorized me to inform you that on and after Wednesday, July 22, the members of the organization will no longer consider themselves under contract.

"Very truly,
(Signed) "DAVID L. FULTZ,
"President."

JOHNNY FOX BLOWS; TRENTON WINS GAME

Special to The Telegraph
Trenton, N. J., July 21.—Just at a time when the game was on ice and Harrisburg certain of victory Johnny Fox had a blow-up and lost his game. Trenton had an up-hill battle and things came their way in the seventh when the Tigers annexed three runs. Until one man was out in the fifth the Tigers failed to see the light of day at first base. The locals overcame a five-run lead. They continued persistently and finally drove Fox to cover in the eighth. Before Adams retired a man the Bengals had batted out a victory. Sensational catches by Cruikshank, Johnson and Keyes featured, while Hammond did some fifty work on the infield. Miller's hitting was also noteworthy.

The Tigers took the lead in the eighth, driving Fox from the hill. Hammond singled and scored, on Hill's three-bagger. Johnson's sacrifice fly scored Poland.

Crist's double and Cockill's single gave the senators one in the ninth, tying the score. Trenton made a great finish. Lee led off with another double, went to third when Maurer laid down a bunt and scored on a single by Smith.

Ban Johnson Favors War; Warns Players to Go Slow

Special to The Telegraph
New York, July 21.—President Ban B. Johnson wants a war. He gave out the following statement yesterday: "The club owners of the American League are a unit in this matter. The Kraft case does not affect the American League. It is purely a National League matter and I cannot say anything regarding the case in particular. It appears to me that in order to satisfy the players' fraternity it would be necessary to violate the National agreement. That is something, however, with which we are not concerned at this time.

"If the players of the various clubs in the American League strike on Wednesday it will be a direct violation of their contract and I may say in this regard that more than 70 per cent. of our players are signed for two or three years. If they walk out we will close every one of our parks and not reopen until such time as we have convinced the ball players that they do not run the American League.

"If they violate their contracts they will be heavily fined and their status as players fixed for all time in the future before they are permitted to re-enter the parks as our players. We have consented to many demands made by the players' fraternity but this is the limit. If the federation calls out our players on a strike it is war to the finish between the American League and this players' organization.

"This action is taken without any conference or discussion with the National League. I do not know what their plans are. I only know that the federation has ordered our players to strike unless another organization agreed to demands which in no way interest or affect us. If the proposed action goes through the American League is in the fight to stay. Every club owner will explain his position to his players and I am assured that there will be no defection among the clubs of the American League even if we have to close our parks until next year."

Peter Steven's Wins Grand Circuit Purse

Special to The Telegraph
Cleveland, Ohio, July 21.—Peter Stevens won the \$3,000 pacing purse, the Edwards, yesterday at the opening of the grand circuit races at North Randall.

Peter Stevens won in straight heats, the only close contest being in the first heat, when Little Bernice got out in front and led nearly all the way. Just before the wire, however, Little Bernice broke badly and the favorite won easily, in 2:05 3/4.

Omar won the first heat of the 2:07 trot in 2:08 1/4, outbrushing Grand Marshal and Newel, the latter the favorite, in the stretch. Grand Marshal won the second and third heats and the race, however.

Belvin captured the 2:24 class trotting event in three straight heats. The race was for the best three heats in five. Belvin was the favorite and led all the way in the first heat, as in the second and third.

Farmer Spears was also a straight heat winner in the last event, the 2:11 trotting class. He never was headed.

About 5,000 persons saw the opening day's races. The track was fast and nothing occurred to mar the day's sport.

JUNIOR AUTO RACE IS RUN ON PACIFIC COAST

Nearly fifty contestants entered the junior sweepstakes automobile race which was run at Los Angeles on last Decoration Day. Only young men under 19 years of age, who had constructed their own machines, were privileged to drive in the meet, which was watched by a crowd of nearly 12,000 persons. Most of the miniature cars, several of which closely resembled real racing motors, were fitted with two-cylinder motorcycle engines. Pictures of the race and the winning car appear in the August Popular Mechanics Magazine.
