12 1/2c Batiste, white ground, figured and floral printings. Mill and Factory Sale Price, yard 10c

STATE HIGHWAYS BEING REPAIRED

How the Roads Will Be Cared For in This Section of Pennsylvania by Bigelow

AMOUNTS APPORTIONED

Dauphin and Adjoining Counties Do Well in the Allotment of the Funds

The ten days that have passed since it was decided that the automobile license fund should be turned over to the State Highway Department for maintenance and repair of roads, have demonstrated that the amount of work necessary to put the highways in good shape far exceeds expectations. Nearly 4,000 men have been laboring over the State, and while great improvement has been noticed in the condition of the roads, officials of the State Highway Department assert that it will be several weeks before a general idea can be gained of the vast amount of work that has been done. The fiscal officers of the Commonwealth, after prolonged litigation in which they were defeated, agreed to pay over to the State Highway Commissioner the automobile funds necessary to insure good roads throughout the State. The amount involved in the 1914 fund was approximately \$1,150,000, while \$250,000 remained from the unexpended portion of the 1913 funds.

Repairs First In view of the lateness of the season and the vast amount of work to be done in filling up holes, cleaning out ditches, culverts and gutters, and shaping up and rolling the highways, the State Highway Department has decided not to begin resurfacing on State Highways until the general conditions of the roads has been improved. A fact not generally understood is that the automobile license money is the only fund available for repairing, maintenance or construction of State Highways. There is an unexpended balance for the maintenance and repair of State-aid highways and the State Highway Department has been working on these roads. The amount of State-aid maintenance money now remaining is about \$25,000.

From time to time additional authorizations will be made by the maintenance division for repairs on these roads. On many of these State-aid highways the repairs are extensive, including resurfacing with bituminous material and a practical reconstruction of the road to secure a better and more lasting highway.

Funds Apportioned In the district comprising Dauphin, Juniata, Lebanon, Millin and Perry counties \$12,494.63 has been authorized for maintenance work on the same. In Susquehanna township, Dauphin county, the macadam road running from Harrisburg city line in State street to Penbrook, and thence to Lower Paxton, built in 1909, needs \$3,397. Thirty-two men and three teams have been at work on this job. In Swatara township, Dauphin county, three-quarters of a mile of brick and macadam road running from the post office in Oberlin to and partly through Enhaut to the intersection of the road with Mohr street and for 300 feet along Mohr street took \$1,000. A force of men and two teams have been finishing this work.

In Delaware township, Juniata county, more than three-quarters of a mile of macadam road extending between the south line of the borough of Thompsonstown to Thompsonstown station is taking \$100 for repairs. In Lebanon county the amount apportioned for State-aid maintenance will be spread over the county to produce the best roads possible, and repairs will be made on all roads including the highway from Kleinfeiler-ville to Womelsdorf in Mill Creek township and the road from Lebanon to Mt. Zion.

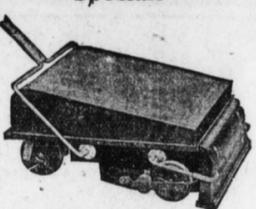

In Juniata Valley In Union township, Millin county, two miles of macadam on the Kishacoquillas road is taking \$750 for repairs, while in Meigs township, the same county a macadam road three miles in length running from Union township in a westerly direction will need \$390 for repairs in one portion and \$760 in another. Nineteen men and four teams have been at work here already. In Armagh township, Millin county, three-quarters of a mile of macadam highway, beginning at the intersection of the road leading from Milroy to the Nagney Quarry, with the road leading to Siglersville and from thence to the intersection of the roads in the village of Siglersville, will take \$503.56. A force of men and two teams have been at work on this job. Another portion of the Kishacoquillas road in Union township three-quarters of a mile in length will need \$370 for repair work. All of these roads were built prior to 1910. One mile and three-quarters of macadam road extending from a point near the end of the Newport river bridge to the road leading from Newport to Millerstown in Howe township, Perry county, constructed in 1908, is taking \$4,135 for maintenance and repair. This road is being resurfaced. Sixteen men have been working here with teams.

In the district comprising Cumberland, Franklin and Fulton counties \$15,140.50 has been authorized this year. In Cumberland county the road extending from Yellow Breeches creek to Center Square and Upper Allen township needs \$276.78. In Lower Allen township, the State road from East Pennsboro township westerly to Best's lane, three-quarters of a mile, will take \$316.85. Just \$73.68 was necessary for repairs on the Trindle road for three-quarters of a mile west from Allendale road in Hampden township. A mile of macadam in Lower Millin township needs \$593.63. On the road from Mechanicsburg to Camp Hill in Hampden township \$167.87 was necessary for maintenance. Three-quarters of a mile from Newville borough to Conodoguinet creek in Doubling Gap road needs \$593.63. Workmen and teams have been busy here. About \$269 is necessary for work in the borough of Newville. On the State road leading from Double Gap at Hoars Stable to the crossroads at the farm of H. Wagner, nearly two miles away, \$593.63 is needed in one portion and the same sum on another portion. More than a mile of macadam in the road leading from Mechanicsburg to Zion Church in Hampden township used \$131, while one-quarter of a mile of macadam running northeast in a Mechanicsburg road from the borough line took \$36.84. Three-quarters of a mile of road from the western borough line of Camp Hill along the Trindle Spring road to Oyster's Point needs \$500. Doubling Gap road in Newport township will take \$296.82.

In Franklin county four and three-quarter miles of macadam highway on the Path Valley road from Richmond to Metal in Metal township needs \$1,487, while about four miles of macadam in the Scotland road from Chambersburg borough to Scotland village in Greene township will take \$2,900. Two miles of highway in the Green Castle road in Guilford township needs \$700. The highway extending from borough line in Scotland road to Greene township, through Guilford township in the same county, takes \$100. Two and a half miles of macadam road beginning at the turnpike at the borough of Mercersburg, and extending to Shimpstown, and then to the Hagerstown road in Montgomery township, needs \$500. The road from Metal to the crossroads east of Fannettsburg in Metal township will take \$743.

A mile and a quarter of road running from Orrstown borough to Shippensburg township in Cumberland county needs \$200. In Fulton county, Bethel township, three miles of roadway running north from Maryland State line to Sligoer Mills needs \$3,539.33.

ANNUAL OUTING OF PHYSICIANS Millinburg, Pa., July 27.—On Saturday, the Union County Medical Association held its annual meeting and picnic on the Bucknell campus, Lewisburg. Among those present were: Dr. Charles H. Dimm and family, of Millinburg; Dr. and Mrs. O. W. H. Glover, Latretton; Dr. A. V. Persing and family, Dr. and Mrs. Metzgar, Dr. William Leiser and family, Dr. and Mrs. W. L. Gearhart, Dr. and Mrs. Charles Gundy, Dr. and Mrs. T. C. Thornton, Dr. and Mrs. Ralph Steans, Dr. Mary Wolfe, Dr. L. H. Ross and family, Professor and Mrs. P. E. Burpe, Miss Judd, Catherine Raiguel, Dr. Charles Gundy was elected president and Dr. Persing secretary and treasurer. Following the meeting a dinner was served and a social afternoon enjoyed by all.

Hazelton Preparing to Entertain State Elks Hazelton, Pa., July 27.—Hazelton will be a blaze of light and color during the State reunion of the Elks, to be held here the last week of August. The contract for the decorations has been awarded and it is predicted that the designs to be shown here will excel those of any other State gathering of the order. Hazelton is making great preparations for the entertainment of the visiting Elks, 7,000 of whom are expected to be in the big parade that is to be the feature of the session. The fair conducted by the Hazelton Elks in tents on their grounds in the central section of the city came to a close last night. The proceeds will be used for defraying of the expenses of the State convention.

Victim of Auto Accident Remains in Comatose State Lebanon, Pa., July 27.—LeRoy Stauffer, of Palmyra, continues in a comatose condition at the Good Samaritan Hospital here from a fracture of the skull, although fifteen days have elapsed since he suffered the injury in an automobile accident on the Berks and Dauphin turnpike at West Ansville. Although Stauffer has had two sinking spells and was thought to be dying, he rallied and underwent an operation. His case is puzzling the hospital physicians, who are encouraged solely by the fact that he takes nourishment regularly.

DEATH OF MRS. MATILDA HAAR Dillsburg, Pa., July 27.—Mrs. Matilda Haar, a well-known woman of Carroll township, died at her home near Fife's Church last night after a long illness due to old age. Mrs. Haar is survived by five daughters: Mrs. A. M. Zeigler, of East Berlin; Mrs. J. A. Lerew, of Dillsburg; Mrs. George A. Dick, of Dillsburg; Miss Matilda Haar, at home; Mrs. H. J. Lerew, of Harrisburg, and four sons: Luther Haar, of Clear Springs; Clayton Haar, of Williams Grove; Clayton Haar, of Center Square, and Daniel Haar, at home. The funeral will be held on Wednesday and services will be conducted at the home by the Rev. G. H. Evers, pastor of the Dillsburg Lutheran church, at 9 o'clock.

"Bad Teeth Cause Crime" Charles D. Hilles, formerly Secretary to President Taft, who has devoted much time to the reformation of children, believes that "much badness in boys is due to decayed teeth and inability to properly masticate food." No boy can eat

PIANOS OF REAL GOODNESS At very low prices because they were taken in exchange. We can suit you with one, if you will see them. J. H. Troup Music House, 15 So. Market Sq.—Advertisement.

LUTHERAN CHURCH DEDICATION Hershey, Pa., July 27.—The new Holy Trinity Lutheran Church, which has been erected during the past year on the southwest corner of Cocoa and Granada avenues, is now completed. The congregation held the first service in the edifice Sunday, July 19, when the pastor, the Rev. F. C. Krapp, of Palmyra, preached an appropriate sermon on the theme "Our Glorious God Offers Us a Gracious Assurance." The dedicatory services will be held on Sunday, August 2. The dedicatory sermon will be preached at 3 o'clock in the afternoon by the Rev. T. E. Schmalz, D. D., of Lebanon. A number of other Lutheran divines will also be present to assist in the special services of the day, as follows: The Revs. H. B. Richard, of Lebanon; H. K. Lantz, of Shilmanstown; G. W. Genzler, of Columbia; C. W. Feigley, the first pastor, and Gabriel H. Moyer, of Palmyra.

SHREDDED WHEAT without chewing it, and the chewing of it develops sound teeth and healthy gums. Better for youngsters than mushy porridges that are bolted down without chewing. Supplies every element needed for building sturdy, robust bodies. Ready-cooked and ready-to-serve. Ask your grocer. Always heat the Bisquit in oven to restore crispness; then pour over it milk or cream, adding salt or sugar to suit the taste. Deliciously nourishing for any meal in combination with berries or other fruits of any kind. Try toasted Triscuit, the Shredded Wheat Wafer, for luncheon with butter, cheese or marmalades. Made only by The Shredded Wheat Company, Niagara Falls, N. Y.

OFFICERS INSTALLED Mechanicsburg, Pa., July 27.—Washington Camp, No. 154, Patriotic Order Sons of America, held very interesting installation ceremonies on Friday evening, when the officers were inducted by District President Hemmer, of Wornlysburg. Mr. Hemmer made an interesting address, in which he told what had been done in the county during the first six months of the year. Several other addresses were made by members of the home camp, after which a smoker was held.

BIG FAMILY REUNION New Bloomfield, Pa., July 27.—The eighteenth annual Hench-Dromed-Hartman-Rice-Ickes reunion will be held in Groff's woods Thursday, August 13. This promises to surpass any former reunion. Some prominent speakers will be present and music for dancing will be furnished by an orchestra. A dinner will be served by the Ladies' Aid Society of the Reformed Church of Newport. This will be the big picnic of Perry county.

How to Keep Face Young and Attractive

The way to ward off old age is not to fear it, not to allow one's self to be oppressed by the dread of advancing years. Use only legitimate preventives and avoid trying experiments with preparations not endorsed by physicians. An entirely safe and very effective way to keep the complexion young-looking and beautiful is to apply ordinary mercurized wax at bedtime, using it like cold cream, washing it off in the morning. This gradually absorbs the withered, faded cuticle, which is replaced by the more youthful pink-tinted under-skin. One ounce of this wax, to be had at any drug store, is enough to completely rejuvenate the complexion. Crow's feet and other wrinkles, the first signs of advancing age, may be removed by a simple, harmless preparation made by dissolving an ounce of powdered sassafras in a half pint witch hazel. It is used as a face bath.

A Feather In Our Cap

NERVOUS CHILDREN There is much criticism of modern educational methods that require too much work of school children, allowing them too little time for play and preventing sufficient out-of-door exercise. When the study of music or any other accomplishment, with the necessary practice, is added, the strain is increased. Under these conditions the blood becomes impoverished and fails to nourish the nerves. The child becomes restless, and twitching of the muscles follows. Sometimes the child stumbles in walking and drops what it tries to hold. Pallor, listlessness, inattention, restlessness and irritability are symptoms that early show that the blood and nerves are failing to meet the demands made upon them. Dr. Williams' Pink Pills, a safe tonic for children, will build up the blood, strengthen the nerves and help to meet the demands of the growing child. Sufficient out-of-door exercise, nourishing food and ten hours' sleep each day, with these tonic pills, will correct even long standing cases of St. Vitus' dance and will calm the nerves of the most irritable child. All druggists sell Dr. Williams' Pink Pills. A booklet, "Diseases of the Nervous System," will be sent free to any parent on request by the Dr. Williams Medicine Co., Schenectady, N. Y.—Advertisement.

The fact that most of our customers have sent us other patrons is indeed a "feather in our cap," as it demonstrates without doubt that our work is as good as it's possible to make it. Our Artists and Engravers are men of experience and ability in their respective lines. Let us prove it to you. Phone us and a representative will call. The Telegraph Art and Engraving Department
