### MEN BEHIND EUROPE'S CRISIS AND MEN WHO MAY DO THE FIGHTING

RAILROAD & DEWS

# **RAILROAD REVENUES** STILL ON DECLINE

### Operating Income Shows Many Millions Less During the Month of May

Special to The Telegraph
Washington, D. C., July 27.—The situation among the railroads of the United States in May, this year, compared with the previous period in 1913 pared with the previous period in 1913, is shown in a bulletin issued by the Bureau of Railway Economics. The summary covers 229,858 miles of line, or about 90 per cent. of all steam railway mileage in the United States. Their operating revenues for May, 1914, amounted to \$233,567,938.

This amount includes revenues from freight and passenger services, and freight and passenger services, and

freight and passenger services, and from express, mail and miscellaneous sources connected with rail operation. As compared with May, 1913, total operating revenues show a decrease of \$25,038,021. Total operating revenues per mile averaged \$1,030 in May, 1914, and \$1,150 in May, 1913, a decrease of \$120

and \$1,150 in May, 1913, a decrease of \$120.

Operating expenses, which include all the costs of maintaining track and equipment, operating trains, obtaining traffic and of administration, amounted to \$176,029,340. This was \$9,921,-181 less than for May, 1913. These operating expenses per mile of line averaged \$779 in May, 1914, and \$830 in May, 1918, a decrease of \$51 per mile, or 6.1 per cent.

Net operating revenues, that is, total operating revenues, less operating expenses, amounted to \$56,537,-998, which was \$15,116,840 less than for May, 1913. Net operating revenue per mile of line averaged \$250 in May, 1914, and \$320 in May, 1913, a decrease of \$76 per mile, or 21.7 per cent.

Operating income, which is net

crease of \$76 per mile, or 21.7 per cent.

Operating income, which is net revenue from rail and auxiliary operations, less taxes, averaged \$197 per mile of line, and in May, 1913, \$273, thus decreasing \$76, or 27.9 per cent. Operating income for each mile of line for each day in May averaged \$6.35, and May, 1913, \$8.81.

The railways of the Eastern district show a decrease in total operating revenues per mile of line, as compared with May, 1913, of 12.3 per cent.

Operating expenses per mile decreased 7.3 per cent, in the East; operating revenue per mile decreased 26.1 per mile, and operating income per mile decreased 32.1 per cent.

### Holland Anxious to Maintain Neutrality

By Associated Press By Associated Press
The Hague, July 27.—The chief of
the general staff of the Dutch Army
and the minister of marine decided to
cut short their holiday and return to
the capital where active steps are being taken by the authorities to maintain Holland's neutrality in the event
of war.

### Germany Awaits Crisis in European Tangle

Berlin, July 27.—Emperor William, who arrived at Kiel to-day on board the imperial yacht Hohenzollern, proceeded at once to Potsdam on a speticial train. A large crowd gathered at the Kiel station and as his majesty departed the people cheered and sang patricit songs.

The German Crown Prince arrives at Potsdam to-night to join the other members of the imperial family.

The military element in Germany clamly awaits the outcome of the international crisis. It is stated that no orders have been issued to the army in this connection and that the customary furloughs to a proportion of the soldiers in order that they might help in the field work at their homes during the harvest have not been interrupted.

with a somewhat reassured feeling owing to the fact that hostilities between Austria-Hungary and Servia and not actually begun. Parisian Bank shares recovered slightly but Russian government bonds were quoted fractionally lower.

A wireless dispatch was received from the French battleship Jean Bart to-day stating that President Poincare expected to arrive at Dunkirk at 5 o'clock Wednesday morning. The French squadron accompanying him has already passed through the Straits between Denmark and Sweden and has arrived in the North Sea.

By Associated Press
St. Petersburg, July 27.—In spite of the general unfavorable symptoms in the situation between Austria-Hungary and Servia and of the effect produced by the arrest in Hungary of General Radomir Putnik, chief of the Servian general staff, a better feeling was notificeable here to-day as the result of tyesterday's diplomatic conversations. It is understood that the long interview between Sergius Sazonoff, the Russian Foreign Minister, and the Austrian handsador especially was responsible for this improvement of sentiment.

When inquiry was made as to what the bureau would do as a result of the statement by Philadelphia optometrists that they would contest the answer was that the necessary blanks were now being prepared for the licensure and that those who did not apply by November 1 would get into trouble.

Public Scrvice.— Dr. Charles M. Compbell and other patrons of the Juniata and Shavers Creek Telephone Company residing in Petersburg object to a yearly charge of \$24\$ and an additional 5-cent toll for service from Petersburg to Huntingdon, a distance of seven miles. Patrons at Huntingdon have free service over the same line to Petersburg and there is no additional toll assessed from Alexandria and Mapleton to Huntingdon. The Public Service Commission is asked to investigate the matter. The commission has adjusted the complaint of Agnes M. Geering as to the height of steps on the cars of the Wilkes-Barre Railway Company in the city of Wilkes-Barre. The respondent has agreed that as the cars are taken to the shops for general repairs the height of the steps will be reduced and lower steps will be provided on the new cars. A foot-box is to be provided on the large open cars.

Brown Asks Help.—Judge C. L. Brown, of the Philadelphia municipal court, has asked the aid of state and local officials in enforcement of the cigaret law. He claims that there are many violations in the cities and asks arrests to halt them.

Time to File Extended.—The Public Service Commission has given puril

rests to halt them.
