CALLS ON HIS PEOPLE TO DEFEND THEIR HOMES AGAINST THE GERMANS

LATEST PHOTOGRAPH OF KING ALBERT OF BELGIUM Brussels, Aug. 5.—With its declaration of war against Belgium, after having violated that country's neutral territory, Germany finds itself surrounded by foes. The Belgian army has been mobilizing and King Albert is preparing to lead his troops into battle. Dressed in his uniform of commander of the military forces, the King made a rousing address at a session of the Belgian Senate, in which he called upon his people to take up their arms and defend their homes against "the common foe." It was Germany's action in violating Belgium's neutrality that drew England, which guaranteed Belgium's neutrality, into the fight.

Planning Commission Will Pass Upon Elder Farm Tract "Ellaeslie"

Some slight but important changes in streets in the plotting of Ellaeslie, the Elder farm tract just east of the city, were submitted to-day for the inspection of the City Planning Commission.

The principal changes include the replanning of some small streets to conform to different lines and it is generally expected that no objection will be raised by the commission.

The Rev. W. S. Harris, pastor, just south of the Philadelphia and Reading Railroad, has also been approved by the Planning Commission. The Rev. Mr. Harris in accordance with suggestions of the commission, will widen some of the streets.
