A FRIEND IN NEED

Is a friend indeed—especially when you're broke. But what's the use of imposing on good friendship when you are a little short of necessary cash. Our method of loaning small sums of money in strict confidence, and at the lowest rates of interest, makes it possible for you to make forward steps and reverse, without your financial weak points to intimate friends.

MADE STRONG—LAST LONG

That is the Miller method of building tires. Things cannot last long unless they are first built strong. The live steam cure is the only rational method of preserving the life of the rubber. Miller One-Cure Wrapped Tires are used by many of the most famous race track drivers. They are particular in selecting the best; you shouldn't profit by their experience.

Passing Impressions of Finance By Louis Guenther

We may regard ourselves fortunate, considering the fury of the financial storm that had encompassed our security markets, that we did not have more wreckage to clear away. Timely foresight alone prevented it. Future generations will refer to the incidents of the past week as an acute panic of the like of which the country never heretofore experienced and possibly will never see again.
