ADAMS AND BINGLES HELP SENATORS WIN

Wilmington Gives Great Exhibition But Could Not Overcome Harrisburg's Lead

Wilmington's patched up bunch of chicks went a pace at Island Park yesterday that came nearly causing the undoing of Cockill's crew. The Senators, however, scored 3 to 1. Mark Adams with his crosses was a big factor in the victory. Timely hitting also played a part.

Tobin pitched a good game for Wilmington. His support was classy. Pearce put up a game similar to that by Whalen on Monday. Shellenbergers perfect throwing to second and third was also an interesting feature. Whalen and McCarthy had a busy day with many honors and Cruikshank was the star of the outfield.

Table with columns for player names and statistics (AB, R, H, O, A, E). Includes players like Schollenberger, Pedone, Brown, McKenna, Sharp, Foye, Pearce, Morgan, and Tobin.

Army-Navy Game Is in Doubt; Navy Insists on Quaker City

Will Not Give in to the West Point Authorities; May Cancel the Engagement

Philadelphia, Aug. 19.—Indications to-day were favorable for the elimination of the Army-Navy game this season. The game cannot be played at Washington, D. C. West Point authorities say they will not play the game in this city. The Navy has given notice that they will not play at all unless the game is played in Philadelphia. The Army needs 12,500 seats to satisfy its demands. The much-talked-of ten-year agreement between the institutions which gave the Army the right to choose the site for the game one year and the Navy the next, with the understanding that it would never be played north of New York or south of Washington, and also accorded the Navy the choice of this year's site, was never signed by the Annapolis officials, and thus far all efforts to have the Navy agree to the articles have been unavailing.

LEBANON FAIR RACES SHOW FAST HORSES

Harrisburg Pacer Is Entered in the Big Event on Today's Program

Lebanon, Pa., Aug. 19.—Fast time was made in the opening day races at the Lebanon county fair yesterday. Three events were finished. In each event the heats had close finishes. To-day's program promises further interest. One Harrisburg horse, Uneed Patchen, owned by G. W. Snyder, is entered in the 2.50 pace.

The 3-year-old pacer race yesterday was won by Sam Hurst, after he lost the second heat to Bingo. A. B. Cox's Allen Bacon repeated her victory of last week at Norristown in winning the 3-year-old trot and was not forced to reduce her record. Joseph Davidson officiated as starter.

BITS OF SPORTS

Peace be with you, said George Graham to the Wilmington players before his departure for Lancaster. There is now peace.

Eddie Hoover, manager of the Red Roses, is a bad boy these days. He was put off the grounds at Reading yesterday.

Whalen and McCarthy were a sensational pair in yesterday's game. They had nothing on Cruikshank.

Joe Myers, the former Harrisburg twirler, was a big star at Wilkes-Barre yesterday. He won both games from Utica, scores 4 to 0 and 2 to 0.

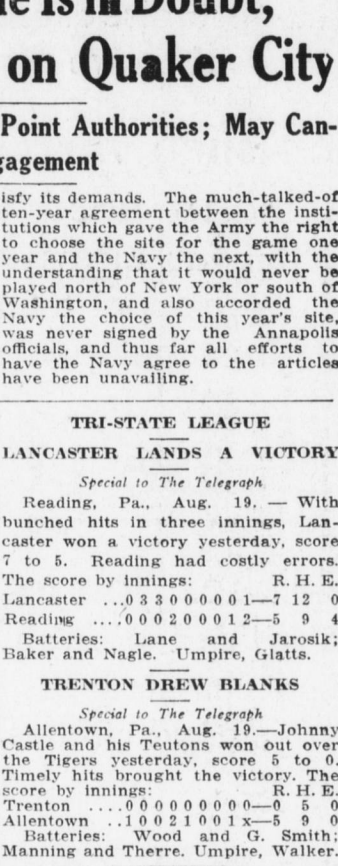

West End A. C. blanked the Ficklin Giants yesterday, score 14 to 0.

The Halifax Feds defeated the Internationals in a twilight game, score 14 to 0.

Baker A. C. of Steelton, will play Dauphin on Cottage Hill field Saturday. It will be the first of a series of games for championship honors.

Harrisburg will play at Allentown Friday and Saturday. Several of the local officials will accompany the team. President George Graham is also expected to be on hand to see that Harrisburg gets fair play.

O'TOOLE TO BE TRADED BY PIRATES

MARTY O'TOOLE IN ACTION

Kansas City, Aug. 19.—A deal whereby the Kansas City club will secure the services of a pitcher, an infielder and an outfielder in exchange for Outfielder Bobby Roth is about to be consummated by the Pittsburgh Nationals. Waivers have not yet been obtained on all of the players who figure in the transaction and for that reason their names are not made public, but a well founded rumor says Marty O'Toole is the pitcher who is to quit the Pirates.

CHICKS WILL STICK; JACKSON QUITS GAME

President George M. Graham Again Proves Himself Successful Peacemaker

Once more oil has been poured on the troubled waters in the Tri-State and peace reigns within the ranks of the Wilmington team. Within twenty minutes after President George M. Graham arrived in Harrisburg yesterday, salary difficulties were adjusted. The Chicks will play the season out.

President Graham announced on his arrival that he had arranged matters on Saturday but that one of the Wilmington backers went back on the arrangement, and he was obliged to do his work over again. Following a conference yesterday afternoon it was decided to give Manager Jimmy Jackson his release.

Manager Jackson has been off with a broken finger and is out of the game for the balance of the season. In order to reduce expenses Jackson was given the pink slip until Labor Day, when the season will close. Pearce will captain the team. Wilmington players left for Trenton last night.

President Graham went to Lancaster to pay off the Red Roses. Harrisburg will be the attraction in Lancaster to-day and President Graham will remain over to arrange several business details.

GAME FOR SATURDAY WANTED

Through the failure of the Hummelstown team to agree to play the third game of the championship series on the Harrisburg grounds, the Harrisburg Telegraph baseball team is without a game for Saturday. Manager Charles W. Thomas would like to play his team against a strong team out of town, or a good team with grounds in town. Call or address Charles W. Thomas, care of Harrisburg Telegraph.

AT THE PALACE—"ALLAH 3311"

Jack Bond, a newspaperman, is handed a newspaper clipping which tells of the disappearance of the daughter of the Roumanian Ambassador, who has been recently murdered. Bond sees in the clipping the inspiration for a novel. That night, while Bond is working in his room over his novel, a girl suddenly enters. She appeals for help against her pursuers, and then asks for an explanation. She informs him that she is the daughter of the murdered Ambassador. Defying them, the Ambassador had been kidnapped and his dead body found later. Regina vowed to avenge her father. Her only clue was "Allah 3311," which suggests Turks.

At Bond's suggestion Regina frequents the cafes. She learns the secrets of the society; all that is needed for the conviction of its members is a certain book. Bond, in the meantime, has discovered that radium is used in the case for a weapon, which gives them the clue. Bond is captured and imprisoned. Regina releases him, and by the aid of the radium cane, overpowered the leader and steals the book. Bond has called the police, who arrive in the nick of time to save both the girl and boy from death.

In addition to this there will be shown "The Kaiser's Challenge," a war-time film, which deals with the present crisis in Europe. Battles and mobilizations will be shown; the biggest sensation of the film being the destruction of a dirigible type of airship by an aeroplane.—Advertisement.

LAST CHANCE TO SEE BIG REEL

To-night witnesses the last appearance of Charles Dickens' "David Copperfield," a seven-reel moving picture feature that should not be overlooked. For the last half of the week the management has secured a comedy feature entitled "Zuzu, the Leader of the Band," said to be one of the most laughable features in moving pictures. The Musical Krolles man and woman in a wonderfully clever musical act, embracing cello, violin, piano and voice, are offering one of the best acts of its kind the Busy Corner has seen. Also the Fountain Nymphs, three of 'em, offer a fine aquatic exhibition.—Advertisement.

ESCAPED PRISONER FIGHTS

Sunbury, Pa., Aug. 19.—After he put up a battle that was equal to that of five men Walter Gumbitski, of Shamokin, who escaped from the Northumberland county jail last week, was captured at Lewisburg to-day. He attacked Sheriff Hackenberg and two men when they went to arrest him and put them to rout. Twenty-five special deputies were then pressed into service and Gumbitski was captured.—Advertisement.
