

**Note the Vast Difference
Between Klein's Prices
and Schleisner's Prices.**

Sold by Order of the United States Court.

Wm. B. Schleisner purchased at public auction, the entire stock and fixtures, in the building No. 9 N. Market Square, formerly occupied by Klein Co., now bankrupt--

This stock was bought in bulk--but when we delved in drawers, in boxes, in out of the way corners after we had purchased--we were astound that there was so much more then we expected--of course that means bigger bargains, among the following--

**2 Thousand Waists, 3 Thousand Pieces Underwear,
800 Cloth and Wash Skirts, 350 Suits, 450 Coats,
650 Negligees Children's Coats and Dresses,
150 Raincoats, 1 Thousand Dresses.**

In Addition Cases of Furs, Muffs and Winter Apparel Not Yet Opened, to Be Sold Later.
