Reservoir Cooking Class to Demonstrate What They Learned **During Summer**

Being a City Commissioner of Harrisburg has its compensations, too, now and then; f'rinstance:

risburg has its compensations, too, now and then; frinstance:

Cream of Corn Soup

Croutons

Celery
Swiss Steak Scalloped Potatoes
Creamed Stringed Beans
Tomato and Cucumber Salad
Hot Biscuits
Homemade Preserves
Orange Ice Afterdinner Mints
Coffee
All of which is the menu for the dinner that is to be served this evening at 6 o'clock at the Reservoir Park cooking school by the pretty frilly-aproned and capped cooks of the third year class under Miss Jesse Dowdell's tutelage—and Harrisburg's whole City Commission are to be the guests of honor. (A few lucky newspaper reporters will be among the elect, too.)
The girls have been preparing for the event for some time and to-day there was many a flushed little cook who just fervently "hoped and prayed that things would turn out all right."
The classes have been unusually successful this year and it was considered as a sort of a finishing touch by Miss Dowdell and her pupils to invite the Councilmen out to dinner and prove that one really CAN learn to prepare the nicest kind of things at the Reservoir kitchen.
Council, including Mayor Royal, Commissioners Gorgas, Lynch, Bowman and Taylor, City Clerk Miller and the other guests, will go out by automobile and return in time to take a late train to Meadville to attend the Pennsylvania Third Class City League convention. The party will remain until Friday.

Magical Effect of New Face Peeler

To maintain a clear, white, youthful complexion, there's nothing so simple to use and yet so effective as ordinary mercolized wax, which you can get at any drug store. Just apply the wax at night as you would cold cream. In the morning wash it off with warm water. If you've never tried it you can't imagine the magical effect of this harmless home treatment. It causes the old worn-out scarf skin to come off in minute particles, a little at a time, and soon you have entirely shed the offensive cutcle.
