AWFUL TORTURE WITH PIMPLES Spread Over Body. Had No Rest. Could Find No Relief Anywhere. Nearly Crazy. Cuticura Soap and Cuticura Ointment Healed.

728 Moss St., Reading, Pa.—"About four years ago I noticed little red pimples on my legs. They began to itch and finally they began to spread over my body. I was getting worse every day at work and I had no rest. I would have to scratch under my arms then my legs, walk barefoot, and I had no relief. When I would take my bath in the evening I would have to take off my underclothing carefully from my body and legs. I was tortured by that awful irritation. I got some Cuticura Soap and Ointment. I took a bath with warm water and Cuticura Soap and put the Cuticura Ointment on my back from my neck to my feet. I did this every night until in a few weeks there was not a sign of eruption on my body. My skin was entirely healed." (Signed) Frank Roy, Feb. 20, 1914.

Samples Free by Mail Although Cuticura Soap (25c.) and Cuticura Ointment (50c.) are sold throughout the world, a sample of each with 32-p. Skin Book will be sent free upon request. Address post-card "Cuticura, Dept. T., Boston."
