GEORGE SUTTON MAY SING IN OPERA AGAIN

George Sutton, baritone, of this city, is considering an offer from a New York operatic company to take part in an opera to be produced early in November. Mr. Sutton has been in New York for several weeks. He has also received a very tempting offer to remain in New York.

Mr. Sutton has not yet accepted any of the propositions. He is a member of the choir at Ohev Shalom Synagogue, and it is understood will return to Harrisburg before announcing his decision. Two seasons ago Mr. Sutton filled successfully a position with the New York Operatic Company. When business declined the company was taken off the road and Mr. Sutton resumed his local engagements. Recently, it is said, he has given several tests of his voice, and if he decides to fill the New York engagements, will have an opportunity for still greater honors as a vocalist.

SUFFRAGE WORKERS AFTER FARMER VOTE

Harrisburg Enthusiasts Go to Williams Grove; Mrs. Jones Makes a Speech

More than a score of Harrisburg suffragists, headed by Mrs. Mabel Cronise Jones, president of the Women's Suffrage Association of Central Pennsylvania, this morning took the train to the Grangers' Picnic grounds at Williams Grove.

Every one in the party is an enthusiastic worker in the votes for women cause and every one went to the picnic determined to bring more enthusiasts into the fold. During the early part of the afternoon they assisted the Carlisle suffrage workers, who have a booth at the grove, to distribute suffrage emblems to the farmers. Yellow fans handed out to the farmers were in evidence everywhere.

Mrs. Jones was one of the speakers of the afternoon, making her address between the speeches of Dr. Brumbaugh and Secretary of Internal Affairs Houck.

Mrs. Jones said that the States adopting woman suffrage have all been contiguous to suffrage territory; that Wyoming, the first suffrage State, is bounded on the south by Colorado and Colorado, after looking across the border for some years, seeing that Wyoming had the lowest percentage of divorce of any State in the Union, and that the viewpoint of the women in matters legal had to do with the home and to the interests of the child, adopted it also; Utah and Idaho, bordering these two States, looked across their borders and saw the merits of adopt suffrage; the other full suffrage States, Washington, Oregon, California, Arizona and Kansas, all touched suffrage territory; that they were so sure anti-suffragists to-day, had the workings of woman suffrage, and had it been a failure they would never have adopted it.

"The integrity of people," Mrs. Jones went on, "are at heart conservatives and they object to anything that is not in accordance with the established order of things. Those who are anti-suffragists to-day, they lived in the early part of the last century, would have opposed giving women any privileges in the public libraries, they would have objected to women's learning the alphabet, let it make them unfamiliar—and, of course, they would have objected a few decades since to women entering high schools, colleges and professional life."

Mr. and Mrs. W. B. Gebhard, of Riverside, have returned home from a very pleasant trip to New York, Asbury Park and Ocean Grove.

Miss Beas Oyster has returned to her home, 1934 Green street, from Belle Terre, N. J., where she successfully completed a summer course of interior decoration at the New York School of Fine and Applied Art.

Mrs. Charles Aronson and daughter Jeanette, of 257 Forster street, have returned home after spending the summer at Long Branch and Asbury Park.

Mrs. William J. Ettlinger, of 122 Calder street, accompanied by Mrs. and Mrs. E. P. Gough, 322 Lewis street, Riverside, have returned from a trip to Pittsburgh, Columbus and Dayton, Ohio. While in Dayton they visited E. J. Ettlinger.

Mrs. R. E. Keever, 425 Forster street, and son John are home from Philadelphia, where they spent several weeks with relatives in that city.

Miss Martha Trace, 227 West State street, has returned to Hollidaysburg, where she is an instructor in the Hollidaysburg High School.

FRENCH GOVERNMENT IS TRANSFERRED

[Continued From First Page]

Two trains reserved for the President and the members of the Senate and Chamber of Deputies left for Bordeaux this afternoon. Fifteen judges of the Court of Cassation also will be transferred to the provisional capital of France.

In addition to the American ambassador, the Swiss minister also has decided to remain in Paris.

The population of the capital is taking the departure of the heads of the government calmly, recognizing that it is a matter of prudence.

Although the city generally is placid, the people feel keenly the approach of the German army and they are rapidly preparing for whatever may happen. Many families left for the west to-day taking with them household necessities. These refugees from the capital have been forced to make very long detours because the railroads are encumbered with military trains.

The railroad lines out of Paris to the north have virtually ceased running trains owing to fears of possible raids by German cavalry.
