Paris Will Be Pivot

President Poincare has issued a proclamation to his people telling them that military necessity alone has led him to remove his government to Bordeaux. Military experts agree that Paris will soon be the pivot of the hostile forces operating in the area of the west. Peace Hath Her Victories no less renowned than war--and chief among the victories of a peaceful and well-ordered civilization is

the cleanest, choicest product of the highest of all human pursuits-the tilling of the soil-a food that supplies all the body-building elements in the whole wheat grain. Shredded Wheat is an evangel of peace and health—a builder of sturdy, robust men and women fit for the day's work. Always the same price, always the same quality.

Two Shredded Wheat Biscuits, heated in the oven to restore crispness and eaten with milk or cream, will supply all the nutriment needed for a half day's work at a cost of not over four cents. Deliciously nourishing and satisfying for any meal with fruits or creamed vegetables.

Made only by The Shredded Wheat Company, Niagara Falls, N. Y.
