The first tally came in the sixth.

Cruikshank's high fly fell in left center for a double. Crist filed to Murray. Miller's little Texas leaguer went for a single, and O'Neil, running for Cockill, who to third. Teal tight ened and fanned Hogan, and McCarthy grounded to Brown.

Syracuse, N. Y., Sept. 4.—Twelve thousand persons, twice the number that attended the best day of the harness races, were present to usher the three-day running meeting offered by State patronage and under the sanction of the Jockey Club at the State Fairgrounds, yesterday. Governor Glynn occupied a box with August Belmont, who came up here to help start the meeting.

Two new world's records for a circuit were established. Amalfi hung up a new mile mark of 1.36 %, cutting the record of 1.36 4-5, made by Christophine at the Juarez track, last winter. Celesta was the other record-breaker. She ran the mile and a sixteenth course in 1.42 %, reducing by a full second the former record held jointly by Trap Rock and Gretna Green.

Belgian Telephoning Headquarters From Field

The telephone has played an important part in this war and most orders from headquarters of the armies in the field have been sent by it. It is really the first test the telephone has had and without it the war would have been conducted much differently. This photograph shows a Belgian soldier in the field sending word of movements of German troops to headquarters.

GOLF STARS AGAIN SURVIVE HARD BATTLES

Philadelphia Boston Washington Detroit Chicago New York St. Louis Cleveland

Manchester, Vt., Sept. 4—Again yesterday players of highest rank were the survivors in the match play for the United States Golf Association amateur championship over the links of the Ekwanok Country Club, completing the third round.

Jerome D. Travers, of Upper Montclair, present titleholder, advanced in his quest for further honors, without close competition, winning by 6 up over W. P. Seeley, of Brooklyn.

Francis Ouimet, former national open champion, was also an easy winner. He ended his match with Robert A. Gardner, of Hinsdale, a former amateur champion, on the eleventh green of the afternoon round, 9 up.

The veterap, Walter J. Travis, of Garden City, another amateur champion and W. C. Fownes, of Oakmont, titleholder in 1910, survived their difficulties, but each was forced to an extra hole.
