Read Carefully-- We are confronted with a most serious business trouble. The unexpected sometimes happens. We bought heavily for this Spring's business, expecting to have the largest Summer trade we have had in our entire 15 years of business in Harrisburg. Owing to the backward season, and cold weather, we find ourselves overstocked, and nearly the entire Summer gone. Therefore, we are compelled to place our entire up-to-date stock on sale for 10 days regardless of former prices or values, beginning to-morrow, September 9, at 9 o'clock. We will start the greatest sale ever inaugurated in the history of this county. A sale of untold bargains. Everything as advertised, or your money back for the asking. Our reputation and standing in this community has been known for the past 15 years to be honorable, and every man, woman and child knows the merchandise we carry is the best money can buy. You will find everything here on sale just as advertised. No sale has ever occurred in the State of Pennsylvania, and no sale will occur again of its kind. We hope that all the people will respond to this mighty appeal and come to this gigantic sale and partake of the bargains that will be offered. Our honorable career in this community for 15 years assures you a square deal. Smith's.
