FIREMEN'S PARADE ON "HILL"

Prizes Will Be Offered; Twenty Companies in Drill Contests

Competition in the various prize contests to be part of the firemen's celebration promises much interest. At least twenty companies will be entered for the drill contests. There is more Catarrh in this section of the city than all other diseases put together, and in the last few years was supposed to be curable. For a great many years doctors pronounced it incurable. Science has discovered a local disease and prescribed local medicine, and by constantly failing to cure with treatment, pronounced it incurable. Science has proven Catarrh to be a constitutional disease, therefore requires constitutional treatment. It is Catarrh Cure, manufactured by F. J. Cheney & Co., Toledo, Ohio, is the only Constitutional cure on the market. It is taken internally from ten drops to a teaspoonful. It acts on the blood and mucous surfaces of the system. They offer one hundred dollars for each man who cures. Send for circulars and free trial. F. J. CHENEY & CO., Toledo, Ohio. Sold by Druggists, 75c. Take CHENEY'S Family Pills for constipation.

always special interest manifested in the contest for prizes for the largest company, finest uniform and best-looking apparatus. At a meeting of the Union, held at Citizens firehouse last night, reports from the various committees were made. A number of minor details are still incomplete, but will be looked after within the next few days. The announcement of A. L. Patton, chairman of the committee on parade and with the Joseph Ferrari Exposition Company to come here during firemen's week was given approval. Chairman Patton announced that the route of the parade had not been settled definitely. There is a clamor to have the procession extend to the Allison Hill district. The following prizes were agreed upon last night: Company having the largest number of uniformed men in line, \$100; company having second largest number in line, \$50; finest uniformed company, \$100; uniformed company having finest apparatus in line, \$100; uniformed company having finest parade apparatus, \$50; company with no less than 25 uniformed men and band of 20 pieces, coming the longest distance, \$100; company having the heaviest apparatus, \$25; heaviest uniformed fireman, \$25; shortest uniformed fireman, \$25; best drilled uniformed company, \$100; second best drilled company, \$50; (drills will be held after parade and no less than three companies competing for prizes); winner in hose race, \$75;

second in hose race, \$25; engine throwing water longest distance, \$50. LAST WILD PIGEON DIES IN CAPTIVITY. Special to The Telegraph. New York, Sept. 10.—The last survivor of the myriads of wild pigeons which years ago inhabited the Eastern United States has just died. T. Gilbert Pearson, secretary of the National Association of Audubon Societies, announced, at 2 o'clock p. m. on September 1, the last one died in the Zoological Gardens at Cincinnati. It was a female and was hatched in captivity twenty-nine years ago. This marks the absolute extinction of another species of North American birds, said Mr. Pearson. Many theories have been advanced as to the cause, but the fact is they were wiped out by the traps, nets and guns of American hunters. The Audubon Association has issued a large picture of the wild pigeon in colors, which will be mailed free to any one sending a request to the secretary at No. 1974 Broadway. BOY DIES FROM COLT'S KICK. Special to The Telegraph. Ephrata, Pa., Sept. 10.—Henry Schaeffer, the four-year-old son of Mr. and Mrs. Irvin Schaeffer, of this place, died at the Lancaster General hospital, yesterday from a fractured skull. Last Thursday while the lad was playing in a field with a companion the child was kicked very badly by a young colt. He was found by one of the working men and carried home.

IMPORTANT RULING IN LIGHT BILL CASE

Court Holds That Tenant Cannot Be Held For Bill of Former Occupant

Special to The Telegraph. Sunbury, Pa., Sept. 10.—That a lighting company cannot hold a new tenant responsible for the bills of an old tenant of a property was the decision rendered by Judge Frederick B. Moser, in an opinion filed in the Northumberland county court here today. On April 26, 1913, Mrs. Katherine A. Leisenring bought the cigar store of Eugene Farley in Shamokin, for \$1,500. The money was not enough to pay the bills against the property, so they were paid in part, each creditor getting 46.43 per cent. of its claim. The Pennsylvania Lighting Company had a bill of \$17 against Farley. It was tendered its pro rata share of the purchase price, but refused, declaring that Mrs. Leisenring must pay all of Farley's bill or the light would be shut off. She refused and on September 7, 1913, the light was shut off. The case was taken into the equity courts and Mrs. Leisenring secured a temporary injunction, claiming that she should not be held for the previous tenant's bills for which she was not responsible, did not use and had not been notified previous to her taking the store that she would be liable. The case was argued, and decision was rendered to-day, Judge Moser deciding in her favor and placing the record costs on the corporation.

CHICKEN COOPS RAIDED

Special to The Telegraph. Millersburg, Pa., Sept. 10.—Chicken thieves raided the roosts of Howard Cummings, north of town on Saturday night and took sixteen birds. Further developments are expected in this case as it is said that several of the party of thieves are known.

THIEVES ROB EAGLES

Special to The Telegraph. Sunbury, Pa., Sept. 10.—Thieves entered the home of Sunbury Aerie, No. 503, Fraternal Order of Eagles, and looted it of \$60 in cash. The act took place while the members were having a good time at a clambake on Labor Day.

REPAIR OLD ORGAN

Because of repairs to the interior of Reformed Salem Church and of the church organ the chances are that the auditorium will not be reopened in time for next Sunday's service. The old pipes in the organ must be used because the instrument cannot be equipped with new ones. The organ is more than fifty years old.

BRICK PLANT DAMAGED

Special to The Telegraph. Sunbury, Pa., Sept. 10.—Fire, undetermined origin, destroyed the machine shop and part of the grinding department of the Bloomsburg Brick Company's plant there. Because of the distance from the water supply the Bloomsburg fire department was powerless to fight the blaze. The loss will reach \$5,000.

BURNED BY EXPLOSION

Special to The Telegraph. Sunbury, Pa., Sept. 10.—While lighting the lamps of his automobile, Boyd Grange, a Milton musician, suffered serious burns when the gas exploded enveloping his head in flames. His hair, eyebrows and lashes were burned off and his face deeply blistered.

Advertisement for OLUS Coat Cut UNION SUIT, featuring illustrations of a man in a suit and a woman in a dress. Text: OLUS Coat Cut UNION SUIT. Only one thickness of material anywhere.
