OLYMPIC STAR A HERO IN THE EUROPEAN WAR

George Andres Fights Squad of Germans; Captures a Flag and Gets Away by Sprinting

London, Sept. 18.—The Corporal, Georges Andrea, mentioned in the dispatches as promoted and recommended for a medal, is the French athlete who competed with Harry Porter, the American high jumper, in the London Olympic games, says the Chronicle's correspondent at Bordeaux, who sends the following account of the feat which won for Andrea the commendation of the French premier: "Andrea, who is with the French army in Lorraine, went with six men into a village to find rooms for their officers. In the market place was a large band of Germans, who immediately set upon them. Andrea snatched a sabre from the German nearest him and killed two men with it. "By this time he saw that his companions were dead or captured, so he grabbed a flag from the German and putting it under his arm raced through the village street as though attempting a try in Rugby football. Numbers of Germans followed. After sprinting a quarter of a mile he left his pursuers far behind and later rejoined his regiment with the flag, having escaped a shower of bullets. "Andrea wrote to a sportsman friend, who has shown me the letter, in which he remarked: 'This is hell; we are lying in the trenches under German artillery fire, but are not allowed to reply. This is the only time I find to write my correspondence.'"

Gilmore Has Poor Chance For Fed World Series

Chicago, Sept. 18.—The world's series challenge of President Gilmore of the Federal League to the National Commission is accepted here as merely completing the record of Gilmore's campaign to receive official recognition of his organization as being of major league calibre. That the challenger would be sent was announced a month ago and while President Johnson of the American League and President Comiskey of the White Sox could not be located here it was recalled that both of them at the time of the announcement vigorously asserted they would have no relations with the "outlaws" except on a distinctly unfriendly basis. This attitude has not been changed which is no surprise of Gilmore. Anticipating that his challenge would be favored he said a month ago that in event of refusal he would play a series within his own league and declare the winner world's champions. DICKINSON CANDIDATES ARE NOW ON THE FIELD

Carlisle, Pa., Sept. 18.—The Dickinson squad yesterday was sent to about forty, and under the direction of Coach Harrington were kept at the daily practice until late in the evening. It is evident that Harrington's methods this year are somewhat harder than those of last year, his ideas of strenuous and continual training being apparent in every practice. Many excellent opportunities are presented to the new men to secure permanent positions on the varsity owing to the numerous vacancies. Louckes, a Phillipsburg man, and Palm, from Scottsdale, look up as very promising material. Louckes, owing to the absence of Goldstein in the backfield, who is restrained from participating in the daily practice owing to his assisting Gus Welsh in coaching the Conway squad, has been used at quarterback. Yates, who matriculated at the University of Pennsylvania previous to his coming to Dickinson, has about decided to join the squad. Harrington expects to develop Yates for the backfield. Wilson, one of the mainstays of last year's backfield, will likely be used at fullback.

WILL PLAY AT OBERLIN An interesting baseball game is promised at Oberlin to-morrow. The Keener A. C. will be the attraction. This game is of importance in the county race.

Two-minute Mile Purses; Directum I Breaks Record

Detroit, Sept. 18.—Directum I paced an unusual mile here yesterday in a trial against his record of 2.00, as an exhibition in connection with the State fair races. Driven by Ray Sneedecker, and accompanied by a runner driven by Tom Murphy, the chestnut stallion, paced the first quarter in 30 seconds, the half in 1.01, the three-quarter in 1.30, and then paced the last quarter in 28 3/4 seconds, making the mile in 1.58 3/4, next to Minor Heir's mark of 1.58 1/2, which is claimed to be the fastest mile ever paced in the open. Lord Dewey, in another exhibition trial, failed to beat his trotting mark of 2.03 3/4. He made the distance in 2.04 3/4. Besides the exhibition trials, three races were on to-day's program. Brighton B won the last three heats and the race in the 2.12 trot after Bertha Cary had taken the first two heats. Marta Bellini was an easy winner in the 2.10 trot and King Couchman won the \$5,000 pace after it had gone five heats. Results: 2.12 trot, 3 in 5, purse \$4,050, Brighton B won; Bertha Cary second; Fair Virginia, third. Best time, 2.08 3/4. 2.10 trot, 3 in 5, purse \$1,050, Marta Bellini won; Vandy Oro, second; the Wanderer, third. Best time, 2.07. 2.11 pace, 3 in 5, stake \$5,000, King Couchman won; Camella, second; Eel Direct, third. Best time, 2.04 3/4.

In 1912 the former Quaker star had great success in tutoring the Colgate eleven, and last fall he helped Coach Brooks with his backfield aspirants at Franklin Field.

Masser Mackert Home; May Play in Tri-State

LEFT FIELDER MACKERT, May Play in the Tri-State Next Season

Sunbury, Pa., Sept. 18.—Masser Mackert, son of Phillip Mackert, a Sunbury merchant, returned to-day from Charleston, S. C., where he played left field with the South Atlantic League baseball team, and finished second.

Mackert batted .292 and fielded .887 during the season. He is a former member of the Susquehanna League, and played a star game with the Danville team. Last year he was signed with the Chicago Federals, but was sent to Charleston because of too many players having been signed. Mackert has an offer to play with one of the Tri-State League teams next year. He is also a crack motorcyclist.

HARRISBURG CHAMPS WIN MORE LAURELS

With Adams Pitching Elmira Was Tumbled Over in Game at Williamsport

Williamsport, Pa., Sept. 18.—A crowd that tested the capacity of the Crier street grounds saw Harrisburg, champions of the Tri-State League, defeat Elmira, champions of the New York State League, in the third game of their post-season series, yesterday afternoon. Score, 5 to 2. The series now stands two to one in Harrisburg's favor. Opposed to the veteran Doyle on the mound was "Babe" Adams, one of the mainstays of the Harrisburg team, and the youngster had decidedly the best of the argument. He was especially strong in the pinches. Adams eased up a bit in the seventh, when the York Staters scored their only runs, singles by Doyle, Hunter and Jackson and McCarthy's wild heave sending Doyle and Curtis across the rubber. The Senators landed hard on Doyle in the opening round. With two down Crist and Murray singled; Miller, who was given an ovation by his fellow townsmen when he stepped to the plate, showed his pleasure at the reception by tearing off a two-bagger, and Hogan lambasted one to center-field, where it bounded awkwardly, eluding Curtis, and allowed Hogan to chalk up a triple. The side was retired when McCarthy fled out to Wagner.

Two More Two more were added by Harrisburg in the fourth, when Hogan, Emerson and Keyes singled and Wagner allowed the latter's hit to go through him to the fence. Johnson led with the stick, having three hits in as many times at bat. Hogan annexed a triple and two singles out of four times. Hogan had a
