Reliability

is what a doctor must be assured of in recommending a food or drink. He must know that it is honest, efficient, pure and wholesome.

In cases of nervousness, heart flutter, headache, biliousness, indigestion, etc., where the patient is a coffee drinker, most doctors order: "Quit coffee and use Postum."

Doctors recommend Postum because they know that it is a pure food-drink—absolutely free from the drug, caffeine, which makes coffee injurious to most users.

It is significant that thousands of physicians not only recommend, but themselves use

POSTUM

—its worth having been fully demonstrated, not only in the home, but in Sanitariums, Hospitals and Colleges.

Postum now comes in two forms:
Regular Postum—must be well boiled—15c and 25c packages.
Instant Postum—soluble—no boiling—made in the cup with hot water, instantly. 30c and 50c tins.
Both kinds are delicious—cost per cup about the same—sold by Grocers everywhere.
