Postpone Tennis Meeting Because of Wet Weather

Because of the wet weather last evening the meeting of the tennis players of the city, which was scheduled for the purpose of organization, had to be called off until some time next week. The date has not been fixed definitely, but it is probable that Tuesday will be selected. In addition to discussing the organization the tennis enthusiasts will decide upon some plan for distributing the lockers in the new Reservoir clubhouse. The building has been practically completed and it is hoped to determine how the lockers can be given out with out confusion. There are some 200 lockers. While the new clubhouse is nearly completed, the big pavilion in the woods on Cherry Hill is rapidly going up and within a few days it will be under roof.

YORK CUTS FOOTBALL; MATERIAL IS SCARCE

Special to The Telegraph York, Pa., Sept. 24.—The York High school will not have a representative football team this fall. This was decided at a meeting of the athletic association yesterday. The issue was thoroughly considered from every viewpoint, and the decision was only reached after a careful study of conditions and after the sentiment of the pupils was learned. The lack of material was the principal reason for the discontinuance of the gridiron game at the high school. Up until Tuesday, which marked the close of the time limit for the signed permissions of parents to allow the candidates to play, less than eleven had been handed into Coach Bilheimer and Professor A. A. Holden. This will be the first time in the history of the game that a representative eleven has not been formed at the high school.

CHEERS FOR L. V. TEAM

Special to The Telegraph Annville, Pa., Sept. 5.—A housing reception was given the football team of Lebanon Valley College yesterday morning in chapel when President Gossard announced that the exercises were in charge of the cheer leader. That the game with the Indians is taken as a victory, notwithstanding the 7 to 0 score against Lebanon Valley, is explained in the fact that this is the lowest score than any former Lebanon Valley eleven has held the Redskins. Cheers were given each
