SCHOOL BOARDS GET THROUGH EFFORTS OF SUPERINTENDENT SHAMBAUGH DISTRICTS WON'T LOSE IN APPROPRIATION

Dauphin county's township school districts will be better off financially to the extent of several thousands of dollars as a result of the activity of Professor F. E. Shambaugh, county superintendent of schools, in the school board reports and figuring out the differences in the amounts asked and the amounts due. Superintendent Shambaugh has received all the township school reports upon which is based the district claims for their shares of the State fund, based on the salary apportionment. In many instances there was wide difference in the excess claims. One district put in a claim for only \$70, according to Professor Shambaugh, whereas the district is entitled to \$350. "The amounts vary," said the superintendent, "some being entitled to smaller, some to larger sums. For instance, one district will get more than \$1,000."

Zarker Street Viewers to Meet - The board of viewers appointed by the Dauphin County Court to report upon the opening and grading of Zarker street from Eleventh to Nineteenth streets, will meet on the ground at 10 o'clock October 12 and will hold its hearings for interested property owners each day thereafter in the City Council chamber.

Boyer enjoys a record in another way, he has done well for \$3,111.11 and he has asked for one exemption. This was for 40 cents and was because the payee has removed from the district. County Tax Abatement Ends - Yesterday's adjournment of 5 per cent on county taxes ended and scores of people made a final effort to get in on the ground floor.

The Voter Who Does Not Put Down His Name Can Not Vote at November Election

Hours: 8 to 1, 7 to 10 P.M.

Regular Polling Places

To-morrow is the last chance to register for the November election and the voters who want to vote will enter the polling place of his home district and get enrolled. If he does not he will be unable to vote at the coming election.

Indications are that there will be a heavy turnout. Men of the various political committees are hard at work lining up voters and telling them how to get on the lists. The activity is strenuous and betokens a big vote in November.

The Republicans have already registered 4,550 in the city, the Democrats 2,881 and the Ball Moosers 472. Efforts to pile up an unprecedented registration will be made.

FUNERAL OF JERE REX
