## Owner of Monticello Makes Offer to U. S.

Washington, D. C., Oct. 6.—In official circles to-day the hope was expressed that Congress would act promptly on the letter of Representative Jefferson M. Levy, of New York, owner of Monticello, home of Thomas Jefferson, to Secretary Bryan, in which he said he would consider an offer of \$50,000 from the United States Government for the estate. Mr. Bryan, it was said, would refer the communication to Congress at once. Mr. Levy, in his letter, stated that he always had abhorred the idea of Monticello becoming a "mere museum."

## CORONER'S JURY BLAMES RAILROAD

Verdict on Death of J. U. Brightbill Censures P. R. R. For Excessive Speed

Special to The Telegraph

Dauphin, Pa., Oct. 6.—The inquest by Coroner Jacob Eckinger on the death of John U. Brightbill, who was killed at a grade crossing here on Saturday morning, was held yesterday afternoon at the store of John L. Porter. The following jurors were empaneled: Richard Steckley, David Hoffman, William Ely, John L. Porter, Charles Winn and Robert Putt. After hearing all the evidence the jury censured the Pennsylvania Railroad Company for excessive speed and an unprotected crossing.

The verdict meets with the general approval of our citizens, inasmuch as there is a watchman at every crossing in town excepting this one, and it is the one most traveled.

Many Dauphin people attended the funeral services of Mr. Brightbill, which were held from Shoop's Church, near Linglestown, at 10 o'clock this morning.

## DR. BRUMBAUGH TELLS HOW HE ENTERED THE RACE

Right off the bat at Williams Grove on September 3 Dr. Brumbaugh told his hearers the whole story of how he came to be a candidate and his freedom from obligation to any one. He said: "In the councils of my educational friends at Richmond, Va., in February, I decided to submit my name at the May primaries on the Republican ticket for the nomination to the high office of Governor. Had there been no open primary I should not have been a candidate. I could offer myself only through a direct appeal to the people upon a platform of my own composition throughout and free from the influence of any political leaders or groups. More than a quarter of a million good men of Pennsylvania gave me their support. I am now a candidate upon my own platform, with the indorsement of my party and with no promise or pledge of any sort to any one."

## Youthful, Beautiful Skin Easy to Have

You may be as healthy as a bird in the air and still have a poor complexion. Changing seasons and temperatures, winds, dust and dirt, are apt to injure any skin, even though the general health be good. When these external influences spoil the complexion, the natural thing is to remove the spoil by external means. Ordinary mercurized wax will do this. It will actually absorb the weather-beaten film-skin, a little each day. In a week or two you'll have a brand new complexion, a new skin. The exquisitely beautiful and youthful complexion thus acquired, comes so easily, without harm or discomfort, there's no reason why any woman should not adopt this simple treatment. Get an ounce of mercurized wax at any drug store, applying nightly like cold cream, washing it off mornings. This will not fail in any case. To quickly remove wrinkles, signs of care and age, bathe the face occasionally in a solution of powdered saxolite, 1 oz. dissolved in 1/2 pt. witch hazel. The results will surprise you.

## How To Get Rid of a Bad Cough

A Home-Made Remedy that Will Do It Quickly, Cheap and Easily Made

If you have a bad cough or chest cold which refuses to yield to ordinary remedies, get from any drugstore 2 1/2 ounces of Pinex (50 cents worth), pour into a pint bottle and fill the bottle with plain granulated sugar syrup. Start taking a teaspoonful every hour or two. In 24 hours your cough will be conquered or very nearly so. Even whooping cough is greatly relieved in this way.

The above mixture makes a full pint—a family supply—of the finest cough syrup that money could buy—at a cost of only 54 cents. Easily prepared in 5 minutes. Full directions with Pinex.

This Pinex and Sugar Syrup preparation takes right hold of a cough and gives almost immediate relief. It loosens the dry, hoarse or tight cough in a way that is really remarkable. Excellent for the inflamed membranes which accompany a painful cough, and stops the formation of phlegm in the throat and bronchial tubes, thus ending the persistent loose cough. Excellent for bronchitis, spasmodic croup and winter coughs. Keeps perfectly and tastes good—children like it.

Pinex is a special and highly concentrated compound of genuine Norway pine extract, rich in guaiaecol, which is so healing to the membranes.

To avoid disappointment, ask your druggist for "2 1/2 ounces of Pinex,"—do not accept anything else. A guarantee of absolute satisfaction, or money promptly refunded goes with every preparation. The Pinex Co., Ft. Wayne, Ind.
