end with his parents, Mr. and Mrs. Jeremiah Showers, at 434 South Thirteenth street.

There is one sure way that has never failed to remove dandruff at once, and that is to dissolve it, then you destroy it entirely. To do this, just get about four ounces of plain, common liquid arvon from any drug store (this is all you will need), apply it at light when retiring; use enough to moisten the scalp and rub it in gently with the finger tips.

Hairs Quickly Disappear

(Helps to Beauty)

Even a stubborn growth of hair will uickly vanish from the face, neck or quickly vanish from the face, neck or arms after a single treatment with delatone. To remove the hairs, make a stiff paste with a little powdered clelatone and water, apply to hairy surface and after about 2 minutes rub off, wash the skin and it will be left free from hair or blemish. To avoid disappointment, be quite certain you get real delatone.—Advertisement.
