The very best laxative for children is Dr. Caldwell's Syrup Pepsin, because it contains no opiate or narcotic drug, is pleasant tasting and acts gently, but surely, without griping or other distress. Druggists sell Dr. Caldwell's Syrup Pepsin at fifty cents and one dollar a bottle. For a free trial bottle write to Dr. W. B. Caldwell, 451 Washington St., Monticello, Ill.

1821 took a decided stand on the temperance question, and even before that, a hundred years ago, they legislated aaginst the use of liquor as a beverage, and the hosility to the liquor traffic assumed that time has never been changed. On the slavery question the denomination took a more decided stand, and had many brave men in the Civil War for the freedom of the colored race. The church's attitude has been uncompromising against the theater, the ballroom and the card table.

The Rev. George L. Fulton addressed the conference on the part of the City Ministerial Association, and sextended a hearty welcome to the conference in the common work of extending the kingdom of God. The Revs. J. S. Adam, Shipe, Raach, Sharp and Dice, of the various churches of Mechanicsburg, were introduced to the conference.

The Rev. Mr. and Mrs. Richter, restricted the conference.
