TO DARKEN HAIR APPLY SAGE TEA

Look Young! Bring Back Its Natural Color, Gloss and Thickness

Common garden sage brewed into a heavy tea with sulphur and alcohol added will turn gray, streaked and faded hair beautifully dark and luxuriant, remove every bit of dandruff, stop scalp itching and falling hair. Just a few applications will prove a revelation if your hair is fading, gray or dry, scraggly and thin. Mixing the Sage Tea and Sulphur recipe at home, though, is troublesome. An easier way is to get the ready-to-use tonic, costing about 50 cents a large bottle at drug store, known as "Weyth's Sage and Sulphur Compound," thus avoiding a lot of fuss.

While wispy, gray, faded hair is not sinful, we all desire to retain our youthful appearance and attractiveness. By darkening your hair with "Weyth's Sage and Sulphur," no one can tell, because it does so naturally, so evenly. You just dampen a sponge or soft brush with it and draw this through your hair, taking one small strand at a time; by morning all gray hairs have disappeared, and after another application or two, your hair becomes beautifully dark, glossy, soft and luxuriant.—Advertisement.

BIG EATERS GET KIDNEY TROUBLE

Take Salts at first sign of Bladder Irritation or Backache

The American men and women must guard constantly against kidney trouble, because we eat too much and all our food is rich. Our blood is filled with uric acid, which the kidneys strive to filter out; they weaken from overwork, become sluggish; the eliminative tissues clog and the result is kidney trouble, bladder weakness and a general decline in health.

When your kidneys feel like lumps of lead; your back hurts or the urine is cloudy, full of sediment or you are obliged to seek relief two or three times during the night; if you suffer with sick headache or dizzy, nervous spells, add stomach, or you have rheumatism when the weather is bad, get from your pharmacist about four ounces of Jad Salts; take a tablespoonful in a glass of water before breakfast for a few days and your kidneys will then act fine. This famous salt is made from the purest of grapes and lemon juice, combined with lithia, and has been used for generations to flush and stimulate the clogged kidneys; to neutralize the acids in the urine so it no longer is a source of irritation, thus ending bladder disorders.

Jad Salts is inexpensive; cannot injure, makes a delightful effervescent lithia-water beverage, and belongs in every home, because nobody can make a mistake by having a good kidney flushing any time.—Advertisement.

CHURCH OF GOD MEN ELECT COMMITTEES

Harrisburg Preachers Are Taking Prominent Part in Work of the Eldership

Special to The Telegraph
Lancaster, Pa., Oct. 8.—The Eldership of the Church of God yesterday afternoon heard the report of the standing committee, which consisted in the necessary changes in the appointments and several judicial cases. It was decided to consider the judicial cases in committee of the whole. The administrative part of the report was adopted. The Rev. W. J. Schaner, of Harrisburg, was elected chairman of the committee of the whole and the Rev. C. H. Helges, of Lisburn, Pa., secretary.

The Rev. W. W. Richmond, president of Fort Scott Collegiate Institute, Fort Scott, Kas., was introduced to and he addressed the eldership on the work at Fort Scott.

The eldership elected the following stationing committee: The Revs. W. N. Yates, D. D., S. G. Yahn, D. D., George Slicker, D. D., F. Hoover, D. D., F. W. McGuire, J. W. Deshong, C. H. Grove, D. S. Shoop, D. D., and C. F. Reitzel.

A large part of the afternoon was taken up in the consideration of judicial cases.

The president appointed the regular committees, as follows:
On the publication of the Journal, the Revs. F. W. McGuire, C. D. Collins, J. H. Wilson, Elders George W. Fox and H. K. Stouffour.
Evangelizing, the Revs. C. S. Nonemaker, Jonas Martin, C. H. Helges, J. M. Waggoner and G. W. Harper.
Auditing, the Revs. C. H. Grove, A. P. Stover, W. J. Schaner, Elders C. G. Miller and H. N. Bowman.
The Rev. W. W. Richmond, of Fort Scott, Kas., preached last evening.

Bible Teacher to Speak.—D. H. Ames, a noted Bible teacher of Carlisle, will speak at the Enola Y. M. C. A. this evening.

Choir Rehearsing.—Forty members of the choir of Curtin Heights Methodist Episcopal Church are rehearsing "The Hanging of the Crane," an entertainment adapted from Longfellow's poem. The musical numbers will be under the direction of Miss Sarah Estelle Butler. Vernon Hinzberger will supervise the staging of the play. The proceeds will be turned over to the church building fund.

Booker T. Washington Lecture.—Dr. Booker T. Washington will speak in the Fifth Street Methodist Episcopal Church next Wednesday evening in the interests of the Tuskegee Normal and Industrial Institute, located in Alabama. This school for colored young men and women started thirty-three years ago with one teacher and thirty pupils. It now has 193 teachers, 1,500 students, owns 4,500 acres of land, many buildings and a farm of 900 acres, on which are raised the school's food supplies. The school is generally admitted to be of much sociological and economic importance working out of the nation's important social problems.

Palmer and McCormick Shut Their Eyes to Industrial Conditions

Notwithstanding evidences on every hand to the contrary, A. Mitchell Palmer, the Democratic machine candidate for United States Senator, persists in his declaration that times are good and that there is prosperity for all. He and the other members of the McCormick party to be Governor, manifestly care nothing about the facts. Here is a dispatch from Harrisburg:

"I have had more calls for help in the last five or six weeks than we can take care of. The startling statement made by Director of the Poor R. D. Wolfe, 'Conditions are becoming a serious problem just now in this county on account of the depression in business,' continued Mr. Wolfe, 'Yesterday the mills at Leechburg shut down for an indefinite period, and I understand that the mills just across the river at that place are to close down, too. Young men and women are working but short turns and only a few days a week. Business is slack in the coal industry and the laboring class are facing a serious situation unless times get better, and that quickly.'"

"Where do the calls for help come from, any one section of the county in particular?" he was asked.

"No, the calls are from all over the county. The situation seems the same in every section. We are doing the very best we can to alleviate the suffering of those in want, and I am rushed from morning till night in trying to get around to investigate the truly needy cases. The business depression was never any worse than it is just at this time," said Mr. Wolfe.

Mr. Wolfe had expected to attend the State convention of directors of the poor now being held at Carlisle, but the urgent need made it necessary for one of the directors to be on hand all the time so that succor might be extended to those in dire need.

No Headache, Sour Stomach, Bad Cold or Constipation by morning

Get a 10-cent box now.
Furred Tongue, Bad Colds, Indigestion, Sallow Skin and Miserable Headaches come from a torpid liver and clogged bowels, which cause your stomach to become filled with undigested food, which sours and ferments like garbage in a swill barrel. A Cascaret to-night will give your constipated bowels a thorough cleansing and straighten you out by morning. They work while you sleep—a 10-cent box from your druggist will keep you feeling good for months. Millions of men and women take a Cascaret now and then to keep their stomach, liver and bowels regulated, and never know a miserable moment. Mrs. Howard Gould Defends Her Sister

Special to The Telegraph
San Francisco, Cal., Oct. 9.—Mrs. Howard Gould, of New York, yesterday rallied to the defense of her sister, Mrs. Wong Sun Yue, wife of a San Francisco Chinese. Focusing during the trial yesterday of her suit for slander, brought against Harry Lewis, a Chinatown guide, Mrs. Gould broke her silence of years regarding her feelings to her sister who married an Oriental.

"I not only love my sister dearly," said Mrs. Gould, "but I like her husband and have been calling on them in their home in Chinatown almost daily. If my sister wishes to live in China with her husband it is her own affair, and for one do not condemn her—I admire her courage.

"I am waging this fight against these Chinatown guides as much for my sister as for myself," she continued. "I want to go back to my friends in New York with this slur taken from my name and my husband's name. The circulars and pictures of my sister taken in front of her home in Chinatown are sent broadcast. I refused to stand the injustice any longer."
