Mercersburg Star Is Yale's Best Find

New Haven, Conn., Oct. 12.—Harry Le Gore, the fullback, is the football find of the year so far this season at Yale Field. This boy, who started at Mercersburg Academy, has been showing up well in practice and did excellent work in the Maine and Virginia games.

Le Gore is an excellent punter and combines accuracy with distance in his punting. His punts are not as high as many of his predecessors, and they are harder to get down under.

Football is to Le Gore a secondary avocation, however, for he was offered a \$5,000 salary by Connie Mack to join the Athletics when a student at Mercersburg Academy, but declined it, preferring not to play professional ball.

Philadelphia, Oct. 12.—The same men who led the hitting in the big leagues last year are shown by the final official figures for 1914 once more to have come through in first place. Ty Cobb is the American premier, a place which he has now held for eight seasons, over the 1907, 1908, 1909, 1910, 1911, 1912, 1913, and 1914 seasons.

The Athletics led in club batting and Boston in long hits. Speaker, of the Red Sox, passed Carrowford under the wire for the long-distance honors.

Brooklyn topped the National in club hitting and the Phillies in long drives. Mace and Cravath were the boss long-distance hitters.

Brickley out of game with appendicitis. Cambridge, Mass., Oct. 12.—Charles E. Brickley, Harvard's star drop-kicker, and captain of the season's football team, was rushed to the hospital Saturday and operated on for appendicitis.

This is a serious blow to Harvard's chances, as the star drop-kicker will probably never be seen in action again for the Crimson.

Governor John K. Tener praises Boston Braves. Governor John K. Tener was greatly pleased over the prospect that the National League would regain the baseball supremacy of the major leagues.

Joe Bush and Bender warmed up in front of the Athletics' bench, while Tyler and Rudolph worked out for Boston. Manager George Stallings was presented with a diamond stick pin and a gold ball by Mayor Curley, of Boston, on behalf of the city government.

Baker struck out, missing a curve by a yard. Collins stole second. McInnis walked. Collins was picked off second. Tyler to Evers. One run, one hit, one error.

After brief statements by counsel, Judge McCarrell said that unless otherwise advised he will to-morrow make an order refusing the use of "Non-Partisan" as a party appellation, and granting the defendants five days within which to amend their papers by substitution of another party appellation.
