VETERAN SUTTON WINS FROM SCHAEFFER

Philadelphia, Oct. 13.—George Sutton, the billiard wizard, defeated Jake Schaeffer, Jr., last night in the first block of the scheduled 1200-point 14.1 ball game by the score of 400 to 321. At the start of the game Schaeffer played strongly and held the lead for the first four innings, but Sutton, making a run of 27 and 48, forged to the front.

Both players made many difficult and spectacular shots, but both made many slips on the more easy ones.

In the twenty-first inning Schaeffer got the balls at the lower rail and drew them back and forth for a splendid run of 43 points, missing masse on his forty-fourth shot. Sutton followed in the next inning with a similarly good performance, keeping the balls until he compiled a score of 48 points. Sutton carried the individual honors for the high score of the evening, with a run of 50 points.

Sutton, in the twenty-seventh inning, made an unfinished run of 48 points, winning the block.

Interesting Facts About Yesterday's Game

Joe Connolly, in trying to catch McInnis' two-bagger in the fourth inning, fell over the bleacher barrier and landed on his head. He was not injured, and was given a general ovation when he jumped back on the field.

If Bill Klem had stood against the grandstand railing when "Hank" Gowdy was going to bat, the Athletics might have won. When "Hank" drove out his homer the umpire was standing rather a good distance behind the plate, but the superstitious Braves' catcher walked until he got behind him and then turned toward the plate. He did that every time he went to bat.

Charley Deal bumped "Stuffy" McInnis as the Mackman rounded third on his way home with a run in the fourth. "Stuffy" tripped over Deal's feet, intentionally put in the way, but he scored anyhow, so the Athletics let the incident pass with a protest to Klem.

In the fourth inning, when Maranville stole second, Gowdy, who was at bat, lunged across the plate to block Schang. "Hank" got away with the trick and "Wally" threw wild.

ATHLETICS FIGHT WITH BACKS TO WALL

Rudolph and Bender Are Slated For Another Argument Today; Receipts Small

By Associated Press
Boston, Oct. 13.—The Athletics of Philadelphia, three times baseball champions of the world, to-day fought with their backs to the wall to stave off the rush of the Boston Braves. Defeated in three successive games, one of which was written large in world's series annals, the American League contenders in the fourth game to-day faced the necessity of winning the next four contests in order to retain their title.

Opposing them the Braves required only one more game to complete their success with world's series honors. It was a desperate situation for the men of Mack. Never in their experience had they been so beset. Desperate measures were necessary.

"The Athletics," said Harry Davis, "will play to-day as they never did before. It would be fatal to the future of the team to lose four straight."

While the bleacher crowds thronged the gates of Fenway Park this forenoon, many of them after all night waiting, the two teams that were to enter the great struggle of the afternoon consulted with their managers. Manager Mack held a long session with his men at their hotel at which their plan of campaign was discussed from all angles and by all the players, as in their own mind then was crystallized in instructions from their leader. The Braves had their session in the clubhouse where Manager Stallings characteristically laid down his orders for the day. Players on both sides expressed the belief that Rudolph and Bender would oppose each other again in this crucial test.

After today's game the players cease participating in world's series proceeds. Receipts for the first four games probably will total \$225,000 on a total attendance of 110,000. The players share will then be crystallized in \$115,000, considerably less than two years ago and somewhat less than last year. Weather conditions continued excellent. The air was somewhat cooler than yesterday.

NEW WORLD'S RECORD BY HENRY TODD

Two-year-old Gelding Wins Fine Stake in a Fast Mile at Lexington

Special to The Telegraph
Lexington, Ky., Oct. 13.—In winning the big stake for 2-year-old geldings, Henry Todd went a record mile in 2:11.3, winning in three straight heats. Peter Stevens won the Blue Grass stake, \$2,000, for 2-year-old pacers.

"The Turkey Trot," a special sweepstakes, was won by A. W. Smith's Prelma, driven by Raymond Snedeker. J. O. Winston's Polly Overton, driven by Murphy, was the only other starter, the race furnishing a good contest. A. B. Cox's Prinella was drawn just before post time, being lame. Harnetti, the entry of Charles Tanner, was declared out early in the day. The match was for \$1,000 a side, made here last Fall, when the colts were yearlings, and the total amount went to the winner.

Peter Stevens was an easy winner in the Blue Grass stake, with Napoleon Direct, the principal contender. Joan captured the 2:07 trot in hollow style. McDevitt let the others go away in front and pulled out in the stretch.

Senator McNichol, of Philadelphia, scored in the 2:14 trot, when Nick Grady guided Dago, his bay gelding, to a straight-heat victory.

Two Football Deaths Result From Tackling

Frederick, Md., Oct. 13.—William English, Jr., a member of the senior class at Mount St. Mary's College, Emmitsburg, Md., received injuries in an inter-class football game which caused his death yesterday.

Two picked teams, representing the seniors and juniors, were playing, and after receiving the ball English plunged through the line for a long gain. An opposing player started for him, and they came together with a shock that sent English over backward, the back of his head hitting the ground hard. He got up, walked a few yards and fell over unconscious. Thirty-five minutes later he died from concussion of the brain.

Milwaukee, Wis., Oct. 13.—Milwaukee's first football fatality for the 1914 season occurred yesterday, when Carroll Olsen, aged 20, died in a local hospital of concussion of the brain, the result of injuries received in a game Saturday. The young man was injured early in the contest, but resumed play and finished the game, collapsing afterward. He was thrown violently to the ground, striking the back of his head.

ARMY-NAVY SQUABBLE MAY BRING SENSATIONS

New York, Oct. 13.—Rear Admiral Hugo Osterhaus has resigned from the United States Naval Academy Athletic Council, and more sensational developments are to be expected in both branches of the service as a result of the refusal of the Annapolis authorities to play the annual game with West Point, according to trustworthy information obtained in this city today. Admiral Osterhaus has long been a supporter of Annapolis athletics.

At West Point a meeting of the General Athletic Committee will be held. One of the matters to be discussed will be that of publishing the entire correspondence and reports of the negotiations which have led to the deadlock over the annual football encounter. If West Point decides to take this step there is no doubt that the controversy will receive a liberal airing.
