## PAIR QUITE SURE THEY DON'T WANT TO BE TOGETHER

"Dearest—Darling—Kid" Letter Tells of Bathroom Blind Signal Code

Both Mr. and Mrs. Albert Bruaw are very positive they don't want to be married any longer and they are not going to take any chances on not having the spot properly and thoroughly identified. They are ready for divorce actions; they're really eager about it.

Both cases, cross suits, are among the October term divorce court hearings scheduled for Monday, October 26. Albert vs. Frances Bruaw is listed on grounds of marital infidelity and Robert Stueker, counsel for the libellant, says William Kramer will be named as co-respondent. Mrs. Frances Bruaw has instituted her suit against her husband on the grounds of cruel and barbarous treatment, according to her counsel, Wickershaw and Metzger.

Some intimation of what may be produced in divorce court was aired yesterday afternoon in September quarter sessions court when Mrs. Bruaw sued her husband for non-support and got a verdict of \$4 weekly. In his defense Bruaw, through his attorney, exhibited some real "dearest-honey-boy-darling" next week in purporting to have been exchanged between Mrs. Bruaw and Kramer.

**Bathroom Blind Signals**  
In one letter Mrs. Bruaw discusses freely the family rows in the house of Bruaw and mentions the signals that had been arranged via the bathroom window blinds between herself and Kramer.

Forty-six cases in all are listed for October divorce court as follows:

- Mary E. vs. Samuel F. Hoffman;
- Anna vs. Joseph Kovach; Della vs. George Deckard; Ruth vs. Thomas H. Osborne; Della vs. A. H. S. Berlin; John E. vs. Emma K. Kerstetter; A. G. vs. Vania Forster; Christine vs. Raymond Straw; Ida vs. J. M. Beard; Fred vs. Amelia Carler; Mary vs. O. H. Kent; Hiram vs. Pearl M. Dry; Heinrich vs. Katerina Greiffenstein; May vs. Roy A. Wilson; William vs. Mary E. Arnold; Robert vs. Jane B. Hunter; Robert vs. Mary Gillette; Anna vs. N. F. Spangler; Minnie E. vs. Andrew J. Dodd; George vs. Lizzie M. Gehrett; Katherine vs. Robert T. Webber; Sarah vs. Howard Miller; Harry vs. Rachel Bierbauer; Arthur vs. Mabel Bathurst; Mary vs. James A. Drowett; Gertrude vs. Benjamin Titzel; Albert vs. Frances Bruaw; Jesse vs. Jennie Zimmerman; Frances vs. Albert Bruaw; Amanda vs. Alexander Rich; Mary vs. William R. Kline; Edith vs. R. H. ## SULPHUR DRIES UP ECZEMA AND STOPS ITCHING

This old time skin healer is used just like any cold cream

With the first application of bold-sulphur cream the angry itching attending any eczema eruption ceases and its remarkable healing powers begin. Sulphur, says a renowned dermatologist, just common bold-sulphur made into a thick cream, will soothe and heal the skin when irritated and broken out with eczema or any form of eruption. The moment it is applied all itching ceases and after two or three applications the Eczema disappears, leaving the skin clear and smooth.

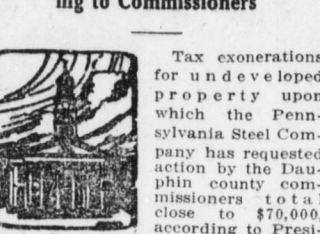

He tells Eczema sufferers to get from any good pharmacy an ounce of bold-sulphur cream and apply it to the irritated, inflamed skin, the same as you would any cold cream.

For many years this soothing, healing sulphur has occupied a secure position in the treatment of cutaneous affections by reason of its parasite-destroying property. It is not only antiparasitic, but also antipruritic, aniseptic and remarkably healing in all irritable and inflammatory conditions of the skin. While not always establishing a permanent cure, it never fails to instantly subside the irritation and heal the Eczema right up and, in a few days later before any eruption again appears on the skin.

## TAX EXONERATIONS CLOSE TO \$70,000

Pennsylvania Steel Wants Exemption From Big Lump, According to Commissioners

Tax exonerations for undeveloped property upon which the Pennsylvania Steel Company has requested action by the Dauphin county commissioners are estimated to total close to \$70,000, according to President Isaac Hoffman—probably the largest sum the commissioners have been asked to cross from their tax books at one time in many years.

The amount was so large that the board made a special visit to the ground and postponed action on the request until after they had had another report on the question from the borough assessor and J. V. W. Reynolds, vice-president and general manager of the big plant. The commissioners went to Steelton last week to look over the situation but it is doubtful if any definite action will be taken and the assessor have conferred.

The property in question includes the site of some fifty dwellings which the company razed on the West Side plant. The county cannot tax the machinery, etc., of the company because that is taxed in the corporation, and new buildings are going up and more are planned and this it is believed, may offset the big exonerations claim.

## Rebellion Broke Out as Bolt From Clear Sky

London, Oct. 13, 1:50 p. m.—The rebellion of a section of the Dutch element in South Africa, which broke to-day with a suddenness of a bolt from the blue, is the first jarring note that has marred the harmony in the British empire since the outbreak of the war and it has momentarily diverted attention from the arenas near the heart of the empire.

That this rising was real and dangerous was sufficiently proved by official dispatches from Governor General Buxton to the Imperial government and by the drastic step General Buller took in his colleague's name taken to stamp it out by the declaration of martial law in the whole union of South Africa.

## Fighting Around Arras Is Exceedingly Severe

London, Oct. 13, 3:11 a. m.—The Daily Mail's correspondent sends a dispatch dated Sunday behind the French left wing. It would be absurd, however, for that reason to say they are negligible. On the contrary they are still capable of giving great trouble.

## ONE-TERM IDEA IS HALTED BY WILSON

Tells Palmer That Office Is People's Gift and Should Not Be Restricted

Washington, D. C., Oct. 13.—The views of President Wilson with regard to the plank in the Baltimore platform limiting the President to one term became known definitely to-day. They were outlined to the Democratic members of the House committee on the judiciary before the present occupant of the White House was inaugurated in March, 1913. The views of the President-elect, definite, clear and backed by citizens from publicists and political economists, were embodied in a letter addressed by him to Representative A. Mitchell Palmer, of Pennsylvania, during the winter of 1912-13.

The purpose of this enunciation of the President-elect's views was to halt consideration of a resolution then pending before the judiciary committee amending to the Constitution to limit an occupant of the White House to a single term. The plank of the Baltimore platform which was the basis for the resolution read: "We favor a single presidential term and to that end urge the adoption of an amendment to the Constitution making the President of the United States ineligible for re-election, and we pledge the candidate of this convention to this principle."

The letter to Palmer was ten pages long. In it the then President-elect expressed the view that the office of President of the United States was the gift of the American people and that the right of gift of this office should not be restrained, and that the people should be entitled to choose him for a second term if they so desired, or for other terms. The letter backed up the President's in great elaboration and in much detail. It was a masterpiece of argumentative English, and was so considered by those Democrats of the judiciary committee to whom it was shown in secret conference by Mr. Palmer.

## 700 MEN RESPOND TO TABERNACLE CALL

Now Looks as Though Building Will Be Erected in One Day

From present indications the Stough tabernacle will be completed in one day as the building committee has planned. More than seven hundred men already have responded to the "ad" asking for workmen to help erect the tabernacle for the meetings at State and Cowden streets on Saturday and fully one thousand names are expected by Thursday night. Among the list of workmen are pastors and laymen from all parts of the city.

A portable saw-mill has been set up on the tabernacle site and all the heavier material is ready for use. The lighter timber and materials will be delivered before the end of the week. Final plans were made last night by a committee of one hundred women who are to prepare the meal for the workers who erect the tabernacle at State and Cowden streets, Saturday, October 17. The meal will be served in the social hall of the Ridge Avenue Methodist Church. Pledges for supplies are being sent to Mrs. E. A. Riegle, 1525 Park street, Bell phone 2015-W. All goods pledged are to be sent to the first street door of the Ridge Avenue Methodist Church on Friday.

## 50,000 Tent Stoves For Allied Armies

Mercer, Pa., Oct. 13.—That talk of early peace between European belligerents is not to be taken seriously is indicated by the fact that the Stough Stove Company has received an order for 50,000 sheet metal tent stoves to be used by French and British soldiers during the winter campaign.

## RED CROSS NURSES What the Women Are Doing

The women of the Red Cross are nursing, cheering and comforting the wounded or dyking. The women of Europe not only wrap bandages and scrape lint, but they tend the farms, dig coal, carry burdens and do the work of the men now under arms. Every male fighter, however brave and heroic, was born of woman; the high courage and hardihood that are a nation's strength are inherited from the mother.

Young mothers who preserve the charms of face and figure in spite of growing children are always to be envied. Dr. Pierce's Favorite Prescription gives the strength and health upon which happy motherhood depends. It practically does away with the pains of maternity. It enables the mother to nourish the infant life depending on her, and enjoy the hourly happiness of watching the development of a perfectly healthy child.

Thousands of women who are now blessed with robust health cannot understand why thousands of other women continue to worry and suffer from ailments peculiar to women when they can obtain for a trifling sum Dr. Pierce's Favorite Prescription, which will surely and quickly banish all pain, distress and misery and restore the womanly functions to perfect health.

IMPORTANT SPECIAL OFFER TO READERS OF THIS PAPER  
Any person desiring a copy of The People's Common Sense Medical Adviser should send this notice together with 29 cents in stamps to Dr. Pierce, Invalids' Hotel, Buffalo, N. Y., and a copy will be sent by return mail, all charges prepaid.—Advertisement.

## Zapata Attack Causes Terror in Mexico City

Mexico City, Oct. 13.—An attack on the night of October 10, on San Angel, Xochimilco and other suburbs of Mexico City by adherents of Emiliano Zapata, caused a reign of terror in the capital until to-day. The suspense was relieved when it was officially announced that Zapata's followers had agreed to cease all fighting until the termination of the peace conference.

## CHILD GETS SICK CROSS, FEVERISH IF CONSTIPATED

"California Syrup of Figs" can't harm tender stomach or bowels

A laxative to-day saves a sick child to-morrow. Children simply will not take the time from play to empty their bowels, which become clogged up with waste, liver gets sluggish; stomach sour. Look at the tongue, mother! If coated, or your child is listless, cross, feverish, breath bad, restless, doesn't eat heartily, full of cold or has sore throat or any other child's ailment, give a teaspoonful of "California Syrup of Figs," then don't worry, because it is perfectly harmless, and in a few hours all this constipation poison, sour bile and fermenting waste will gently move out of the bowels, and you have a well, playful child again. A thorough "inside cleansing" is oftentimes all that is necessary. It should be the first treatment given in any sickness.

Beware of counterfeit fig syrups. Ask your druggist for a 50-cent bottle of "California Syrup of Figs," which has full directions for babies, children of all ages and for grown-ups plainly printed on the bottle. Look carefully and see that it is made by the "California Fig Syrup Company,"—Advertisement.
