THE WEDNESDAY CLUB ISSUES YEAR BOOKS

Novel Departure From Usual Music Programs by Dr. Gow, of Vassar College

The year books and programs for the working musicians of the Wednesday Club have been issued for the season of 1914-15. The programs, which have been compiled by Dr. George Coleman Gow, who occupies the chair of music in Vassar College, are the most interesting and attractive and promise a delightful as well as instructive series of morning musicales. They are in form and an entire departure from the usual music program in that Dr. Gow has appended explanatory notes to the compositions to be played and sung, thus making the numbers of twofold interest. Members of the program committee and their able chairman, Mrs. Harris, are to be congratulated on the success of their summer's work. The club begins its winter's work with 500 privileged-associate and associate members, whose appreciative interest will inspire those who participate in the active work of the club to greater effort. The opening concert will be given in Fahnestock Hall, Thursday evening, October 22.

Harrisburg Has to Bow to the Inevitable—Scores of Citizens Prove It

After reading the public statement of this representative citizen of Harrisburg given below, you must come to this conclusion: A remedy which proved so beneficial years ago with the kidneys, can naturally be expected to perform the same work in similar cases. Read this:

George F. Snyder, brakeman, 1802 North Sixth street, Harrisburg, says: "I used to suffer a great deal from my back, more so during the early hours of the morning. Many a time I had to get up in order to ease the pain in my back. Doan's Kidney Pills were spoken of so highly for curing kidney disorders that I got a box, and after taking a few doses my back felt stronger. This one box drove the misery out of my back. That was a year ago and I haven't had any sign of kidney trouble since."

Price 50c. at all dealers. Don't simply ask for a kidney remedy—get Doan's Kidney Pills—the same that Mr. Snyder had. Foster-Milburn Co., Props., Buffalo, N. Y.—Advertisement.
