Mitchell Palmer's Activity **Against Labor Bills** 

tween the Republican Chair-

man and Congressman

Senator William E. Crow, the Re-

publican State chairman, last night ired another broadside at Congress-

candidate for United States Senator, reiterating his charge that the Monroe Congressman was a lobbyist in the legislative session of 1913 and taking a hand in the "indicting" himself. Senator Crow began "an investment of Palmer" which bids fair to make Palmers' "Siege of Penrose' seem like a more skirnish between Uhians and motoryclists. He gets right down to brass tacks and shows the corpora-tion affliations of the man who is now posing as the special friend of labor and who is joint boss of the Demo-cratic State machine with the million-aire Vance C. McCormick. In his statement Senator Crow sald: "It is a matter of common knowledge to the members of the Legislature and was frequently remarked during that session that the lobby maintained at Harrisburg by the railroads and cor-porate interests of the State was the most powerful in recent years. A. Mitchell Palmer was one of the most able and powerful of that lobby and watched with engle eye and fought with all his power, inch by inch, the concessions that were demanded of vergeneted. It is presumed that his services were homesity rendered and paid for, but having for years basked in the sun-shine of a profitable corporation law practice, including, in the service rem-dered, his appearance at Harrisburg as their special representative to oppose remedial legislation, he most certainly cannot with any degree of cochange shis pots and contend that he now lives by a different confession of faith. **The Charges in Detail** "Against A. It is largely through the loving favor of healthy boys and girls that Shredded Wheat is kept at the top of all breakfast foods. Being ready-cooked and ready-to-serve it is a boon to the busy housewife and mother, enabling her to prepare "in a jiffy" a nourishing, wholesome, appetizing meal without kitchen worry or kitchen drudgery.

Always heat the Biscuit in oven to restore crispness; then pour over it milk or cream, adding salt or sugar to suit the taste. Deliciously nourishing for any meal when served with sliced peaches, milk or cream, or with fresh fruits of any kind. Try toasted Triscuit, the Shredded Wheat Wafer with butter, ese or marmalades
