RUBE OLDRING WEDS; FACES MORE TROUBLE

Another Woman Claims She Is Married to Philadelphia Outfielder

Philadelphia, Oct. 17.—Rube Oldring, leftfielder of the Athletics, was married yesterday to Miss Hannah A. Thomas, of Bridgeton, N. J. The marriage is questioned. Oldring says reports are true. Oldring took out the license after closing hours Thursday afternoon and told Chief Ferguson of the license bureau that the ceremony would be performed by Magistrate Wrigley. The Rube faces charges of desertion and nonsupport by a woman calling herself Mrs. Helen Oldring. In his license application, Oldring asserted that he had never married before. Later he said: "I was never married to the woman who claims to be my wife. She is simply after my world's series money. I haven't seen her for more than two years. If we were married, why doesn't she produce a marriage certificate?" Oldring added that Miss Thomas believed in him implicitly and would stand by him in his trouble. The leftfielder admitted that the suit of the woman affected his play in the world's series. "How could I play," he explained, "when every one in Boston was yelling that I had deserted my wife?" The woman who claims to be his common law wife, had Oldring arrested just prior to the beginning of the series. The case will be decided in Municipal Court to two weeks unless it is settled out of court. It is said that the woman will produce witnesses who claim that Oldring introduced her as his wife. Oldring gave his age as 30 in his license application. His bride was married before, being divorced on June 15, 1908, by the Court of Chancery, New Jersey, on the ground of desertion. Mr. and Mrs. Oldring will spend the winter on a farm that he recently purchased near Bridgeton, N. J. His three-year contract with the Athletics has two more years to run.

Wet Fields For Warriors in Today's Football Games

Central High With a Crippled Team Fights With Lebanon; Tech at Steelton.

Football battles in this city and vicinity were fought on wet fields this afternoon. Soaked with the rain of the last few days, the grounds crimped possibilities for fast games. Central High, in a badly crippled condition, went up against Lebanon High at Island Park. There was much gloom yesterday afternoon following the announcement that Captain Beyers, Ed. Hilton and Art. Winn will not be able to play because of injuries. Talks were in order yesterday and the Central players received much encouragement from members of the faculty. Tech High with a large number of rooters went to Steelton for the first battle with the Steelton High team.

PENNANT WINNERS IN NATIONAL GAME

Brief Review of Baseball Shows Everything but Financial Success

New York, Oct. 17.—With the world's baseball championship and almost all the pennant races in the major and minor leagues decided, the baseball season of 1914 has passed into history. Many of the events which occurred during the playing season, as well as those which immediately preceded the departure of the various teams to their training camps, were of a sensational character. The invasion of the major league circuit by a new organization, its stubborn fight for recognition, the enforced extraordinary advance in the salaries of prominent players, the legal battles fought for the retention or subjugation of several alleged contract breakers kept the baseball world in a ferment for months. The around-the-world trip of the foremost diamond stars, which was, both financially and instructively, a huge success, was a big step toward making the great American game universally understood. Taken altogether the season just finished has marked an epoch in baseball and furnished probably the most interesting chapters in the long and varied records of events on the diamond. In addition to the National, American and Federal Leagues, there were nearly forty organizations of professional baseball clubs in operation in the United States and Canada during the past year, and the appended list shows the pennant winners for 1914: World's Championship, Boston Nationals. National League, Boston. American League, Philadelphia. Federal League, Indianapolis. International League, Providence. American Association, Milwaukee. Western Association, Oklahoma City. Western League, Sioux City. Central Association, Waterloo. Eastern Association, New London. Western Canada League, Saskatoon. Canadian League, Ottawa. Texas League, Houston. The Kitty League, Cairo. Atlantic League, Poughkeepsie. Tri-State League, Harrisburg. Nebraska League, Grand Island. Colonial League, Fall River. New England League, Lawrence. New York State League, Elmira. Northern League, Duluth. Northwestern League, Vancouver. Three-I League, Davenport. Michigan State League, Muskegon. Wisconsin-Illinois League, Oskosh. North Carolina League, Winston-Salem. Central League, Dayton. Georgia-Alabama League, Selma.

THERE is plenty of good tobacco growing in Cuba and the United States. But you can't go and pick it up like you would a ripe apple or pear. It's all Greek to a novice. It takes an expert to select good leaf, and expert care to put it in prime condition for filler. A half century of experience and 23 years specializing in one particular brand is the reason. KING OSCAR 5c CIGARS are known far and wide for their regular quality. 5c

"Bullet Joe" Bush, one of Mack's young pitchers, who was expected to stop the Boston Braves on their mad career in the world series, got married the day after the great contest ended. Bush pitched one game in Boston, but he could not hold the Boston club. He hurried back to Philadelphia, where the marriage took place. He led Miss Sylvia E. McMahon from her home across the street to St. Columba's Catholic Church, and the ceremony was quietly performed. After the ceremony Bush, whose full name is Joseph Leslie Bush, with his bride, went back to her aunt's home, where a reception was held. Mrs. Bush was attended by Miss Ethel Leary, of Philmont, who was in her class at Miss Marshall's School, Oak Lane, from which she was graduated last June. Mr. and Mrs. Bush will go around the world with the all-star baseball team that Bush has just joined for the winter.

ANSWERS EMERGENCY CALLS

The value of the motorcycle in emergencies was recently demonstrated in Kansas City, Mo., when a heavy rainstorm seriously damaged the telephone system throughout the city. The telephone company had 3,000 trouble calls during one day. It was, of course, out of the question for the two trouble wagons to attend to all of these calls. Therefore, the eighteen repair men employed by the company were dispatched on motorcycles to ascertain the extent of the damage, and in many instances were able to make repairs without calling for the trouble wagons.
