SUPERVISION FOR CHARITIES URGED

Dr. Brumbaugh Would Regulate the Appropriations; Reiterates His Stand on Them

Dr. Martin G. Brumbaugh took occasion on Saturday at Bradford to renew his position on charitable appropriations. His address brought to an end a week of hard campaigning in Armstrong, Bedford, Blair, Butler, Lawrence, Mercer, York and McKean counties. In this Roosevelt zone, swept like a cyclone by the Progressives two years ago, Dr. Brumbaugh has been received like a long-absent brother. The bitter denunciation heaped upon the Taft following and returned in kind throughout the eventful campaign of 1913 all seems to be forgotten in the great Brumbaugh family reunion. At least that's the way it looks to the Republican gubernatorial candidate and to those who have watched him in action on the stump. In his speech Dr. Brumbaugh declared against wasteful methods in administering State funds to public

PIMPPLY? WELL, DON'T BE!

People Notice It. Drive Them Off With Dr. Edwards' Olive Tablets

A pimply face will not embarrass you much longer if you get a package of Dr. Edwards' Olive Tablets. The skin should begin to clear after you have taken the tablets a few nights. Cleanse the blood, the bowels and the liver with Olive Tablets. Dr. Edwards' Olive Tablets are the successful substitute for calomel - never any sickness or pain after taking them. Dr. Edwards' Olive Tablets do that which calomel does, and just as effectively, but their action is gentle and safe instead of severe and irritating. No one who takes Olive Tablets is ever cursed with dark brown spots, a bad breath, a dull, listless, "no good" feeling, constipation, torpid liver, bad disposition or pimples. Dr. Edwards' Olive Tablets are a purely vegetable compound mixed with olive oil, you will know them by their olive color. Dr. Edwards spent years among patients afflicted with liver and bowel complaints and Olive Tablets are the immensely effective result. Take one or two nights for a week. See how much better you feel and look. 10c and 25c per box. All druggists. The Olive Tablet Company, Columbus, O.—Advertisement.

AN OLD RECIPE TO DARKEN HAIR

Sage Tea and Sulphur Turns Gray, Faded Hair Dark and Glossy

Almost everyone knows that Sage Tea and Sulphur, properly compounded, brings back the natural color and lustre to hair when faded, streaked or gray; also ends dandruff, itching scalp and stops falling hair. Years ago the only way to get this mixture was to make it at home, which is messy and troublesome. Nowadays we simply ask at any drug store for "Wyeth's Sage and Sulphur Compound." You will get a large bottle for about ten cents. Everybody uses this old, famous recipe, because no one can possibly tell that you darkened your hair, as it does it so naturally and evenly. You dampen a sponge or soft brush with it and draw this through your hair, taking one small strand at a time; by morning the gray hair disappears, and after another application or two, your hair becomes beautifully dark, thick and glossy and you look years younger.—Advertisement.

IF KIDNEYS AND BLADDER BOTHER

Take Salts to flush Kidneys and neutralize irritating acids

Kidney and bladder weakness result from uric acid, says a noted authority. The kidneys filter this acid from the blood and pass it on to the bladder, where it often remains to irritate and inflame, causing a burning, scalding sensation, or setting up an irritation at the neck of the bladder, obliging you to seek relief two or three times during the night. The sufferer is in constant dread, the water passes sometimes with a scalding sensation and is very profuse; again, there is difficulty in voiding it. Bladder weakness, most folks call it, because they can't control urination. While it is extremely annoying and sometimes very painful, this is really one of the most simple ailments to overcome. Get about four ounces of Jad Salts from your pharmacist and take a tablespoonful in a glass of water before breakfast, continue this for two or three days. This will neutralize the acids in the urine so if no longer a source of irritation to the bladder and urinary organs, which then act normally again. Jad Salts is inexpensive, harmless, and is made from the acid of grapes and lemon juice, combined with lithia, and is used by thousands of folks who are subject to urinary disorders caused by uric acid irritation. Jad Salts is mild for kidneys and causes no bad effects whatever. Here you have a pleasant, effervescent lithia-water drink, which quickly relieves bladder trouble.—Advertisement.

CLEARING OF CITY RIVER FRONT URGED

[Continued From First Page]

and proposed location of the new formal entrance to Reservoir Park at Twenty-first and Market streets, Mr. Manning to-day spent some time along the river front, considered much data relative to the acquiring of the property east of the city needed to complete the parkway chain and that necessary link in the southern end of the city from Iron alley to the present terminus of the parkway at Cameron and Cedar streets.

Park expert Manning dwelt at some length on the river front conditions and incidentally cited a little comparison that has real possibilities in it for Harrisburg's proposed river carnival celebrations in 1915. "No one can question for a moment the necessity of clearing away the debris outside the river wall, for unless this is done, the whole effect of what should be one of the most notable water fronts in the world, will unquestionably be spoiled.

Why Not Harrisburg? "The contractor appears to be removing some of this at any rate, and this should be continued. Not only must the silt accumulations be removed but the more serious obstructions—the large rocks and tree trunks and stumps should also be taken away for it must be remembered that these will offer a very serious menace to the navigation and safety of the hundreds of canoes and motorboats that will fill the river in the not very distant future.

"The completion of the wall and the river dam will undoubtedly increase the number of water craft. Why on the South river, Boston, where a basin similar to that which Harrisburg is providing by the construction of the dam," continued Mr. Manning, "there were six thousand water craft of various kinds on Columbus Day. And I'll venture to say that before the basin was established there were not six hundred such craft in all that stretch.

The Purpose of the Wall "By all means the accumulations of silt and other debris outside the river wall should be removed if the whole purpose and effect of Harrisburg's river front wall is to be established and maintained.

Park expert Manning also discussed the importance of creating park or playground areas wherever possible and practicable along the depressed portion of the river front. Treatment of the slopes by planting shrubbery, etc., should be carried out, he said, according to the original plans.

The architectural engineer will devote much of the time to the problem of providing the connecting link between the end of the present parkway at Iron alley and the Cameron parkway terminus.

Solving the Track Crossing Problem The plan as suggested by Mr. Manning is to acquire at least 135 feet of right of way down through the cinder embankment along the river to the banks of the Paxton creek improvement. The necessary cut and "fill" along the stretch is to be made in such a way as to insure ample driving room. At the lower end of the stretch the roadway can be turned under the Pennsylvania railroad tracks via the splendid arched culvert which has been erected there by the railroad to span the creek. From that point the roadway can be brought up on a rising grade just north of the old blast furnaces to Cameron street and thence parallel with Cameron street to the intersection of Cedar. From that point to the Cameron parkway entrance is but a few feet.

The Importance of a Solution "One can readily see how important is this link in the parkway chain,"

18c Pillow Casing—very fine even thread muslin, yard, 12½c

Main Floor—BOWMAN'S.

pointed out the expert. "By acquiring this strip the resolution to the whole problem of completing the circle of the city without crossing the railroad tracks is made possible."

Park Commissioner Taylor and Assistant Superintendent Hoffer have planned to visit the river front below Iron alley with Frederick E. Langenheim of the State Water Supply Commission relative to the use of the cinder embankment for the proposed roadway.

Promenaders Surprised at Use to Which Stones on Water Front Are Applied

Scores of interested promenaders strolled along the partially completed water front yesterday and watched the progress of the work on the big job.

While the headway that has been made by the contractors in clearing away the silt and other rubbish outside the wall was commented upon, much surprise was expressed at the action of the workmen in throwing the larger rocks outside the wall into the stream instead of stowing them on the ground behind the wall where they could admirably serve to support the steps.

California Specialist Enthuses Over the City River Front Improvement

"Harrisburg will have the most beautiful water front in the eastern section of the United States when the river dam and steps are completed," said Dr. R. J. Fly, of San Diego, Cal. Dr. Fry is the guest of Dr. Samuel Z. Shope, 619 North Third street. The San Diego physician is an eye, ear, nose and throat specialist. He is studying the latest methods used in this line by Dr. Shope, the local specialist.

William L. Shover Dies Suddenly at Mechanicsburg

Special to The Telegraph Mechanicsburg, Pa., Oct. 19.—Death came suddenly last night to William L. Shover, of West Simpson street. Yesterday he was in his usual good health, attended church three times

NEW Y. W. C. A. BUILDING OPEN THURSDAY

NEW Y. W. C. A. TO BE THROWN OPEN

[Continued From First Page]

sum, thoroughly equipped, and in connection with it are dressing rooms, lockers and six shower baths. This building is on the fourth street side. On the corner with windows in both directions and cozy brick fireplace, is the cheerful little sitting room of the home department. This room will be furnished for the family, in memory of Mrs. W. O. Hickok, Sr.

Dormitories on Upper Floors The two upper floors are to be used as dormitories. There are forty-one bedrooms on these two floors and each one has a stationary washstand with running water, hot and cold, a white enamel bed, bureau, a desk table and two chairs. The rent will be from \$5 to \$7.50 a month.

The new building has a roof-garden, and from it a view of the whole city can be obtained. Directly in front of the garden is the State Capitol and the Capitol Park.

The committee of the Rainbow campaign for new members will be at the building from 4 to 5 every afternoon, from October 24 to 31, inclusive, and will hear reports and receive money from the workers who will canvass the entire city. Miss Mary Jennings is chairman of the Rainbow committee. For the seven days, from October 24 to October 31 these workers will canvass the city, asking for members for the Young Women's Christian Association. The fee will be only a dollar.

While the complete list of lieutenants is not yet ready, a partial list has been announced, the other names will be added later in the work. Each captain is to have seven lieutenants; each lieutenant, seven workers.

The Lieutenants in both directions are as follows:

Team No. 2—Miss Norma Barker, captain; Miss Ellen Smith, Mrs. Ray R. Barker, Mrs. W. S. Barker, Mrs. Pedlow, Mrs. William Meek, Miss Helen Rohrer, Mrs. H. D. Johnson.

Team No. 3—Miss Randall, captain; Mrs. John C. Stine, Mrs. W. W. Galbraith, Miss Sarah McConkey, Mrs. L. F. Harris, Mrs. Frank Smith.

Team No. 4—Mrs. A. E. Shroy, captain; Mrs. H. Lindley Hosford, Mrs. George B. Danner, Mrs. Frank Gibson, Mrs. Charles Gass, Mrs. W. R. Houser, Mrs. Swigart, Mrs. Zug.

Team No. 5—Mrs. Balsley, captain; Mrs. H. J. Babb, Mrs. F. H. Marsh, Mrs. E. S. Gottschall, Mrs. S. F. Durkie, Miss Arta Williams, Mrs. Ruth Walzer.

Team No. 6—Mrs. Frank Seitz, captain; Mrs. Harry Gilman, Mrs. Frank Gregory, Mrs. Emily Miller, Mrs. W. A. Smith, Mrs. F. H. Hoy, Mrs. G. W. Lenig.

Team No. 7—Miss Anna Orth, captain; Mrs. Arthur Hill, Mrs. Augustus Wildman, Mrs. Joseph Shearer, Jr., Miss Mary Roth, Mrs. David Miller, Mrs. Robert Bratton, Miss Ruth Willoughby.

Camp Hill team—Mrs. E. N. Cooper, captain; Mrs. E. D. Hillery, Mrs. F. C. Beecher, Mrs. A. M. Bowman, Miss Alice Meyers, Mrs. G. W. Ensign.

Steelton's Team Steelton team—Mrs. Solomon Hiney, Jr., captain; Mrs. Henry Gross, Mrs. Watson Creighton, Mrs. Robert Rutherford, Mrs. Lewis Johnson, Miss Bertha Hess, Mrs. Charles Mercer, Mrs. Martin Cumbler.

Team No. 1 will be adjusted this week.

Miss Marian Leib will captain the New Cumberland forces; Miss Laura Martin those at Fairview, Mrs. Smith those at Linglestown; Miss Emma C. Nisley, Penbrook; Mrs. Carl Davis, Lucknow; Mrs. C. M. Forney, Paxtang; Mrs. F. R. Oyster, Riverside; Miss Heck, Lucknow.

Steelton has been canvassing the city asking for aid for a Young Women's Christian Association bazar. The Young Women's Christian Association is not giving any bazar at the present time and has asked that all such appeals be refused. Money given in this way will not reach the Young Women's Christian Association.

CAPE HAITIEN OCCUPIED

Cape Haitien, Haiti, Oct. 19.—The latest development in the Haitian revolution is the occupation of Cape Haitien by the victorious rebels. They entered the town to-day. American marines from the warships in the harbor have been landed and are in control of the situation.

and in the evening sang in the choir of the Evangelical Church. His heavy breathing arose in his wife after midnight and she called for assistance; but in a short time he died, never regaining consciousness. Acute indigestion was given as the cause. He was 38 years old and an employe of the Pennsylvania Milk Products Company for the past twelve years. Mr. Shover was an active member of Grace United Evangelical Church, the Cumberland Valley Company and the Cumberland Valley Castle, Knights of the Golden Eagle. His wife and two daughters, the Misses Hazel and Verna, survive. Also the following brothers and sister, George and John, of New Kingston; Andrew, Marvin, Harry and Mrs. David Hurst, all of Mechanicsburg; David, of Enola, and Clarence, of Harrisburg. A short funeral service will be held at his late home on Thursday afternoon at 2 o'clock, with services later in the Grace United Evangelical Church, conducted by the Rev. L. M. Dice, assisted by the Rev. B. L. Moore, of Enola, a former pastor. Burial will be made in the Mechanicsburg Cemetery.

Why Drag Through Life Wearing Worthless Trusses?

90% of the Suffering and Trouble Ruptured People Go Through Is Caused By Spring and Leg-Strap Trusses

Aren't you sick and tired of wearing trusses you can't make hold, which you can't wear for a minute's peace? Don't you know that such contraptions will sooner or later let your ruptures get the best of you? Don't you know they are almost sure to cripple you up, so you won't be able to keep at work, won't be able to make a living? Aren't you afraid they'll gradually let you get so bad that sooner or later you'll have to face a dangerous operation? Aren't you willing to make a sixty-day-try—without having to risk a cent—and see for yourself what a relief it is to get rid of such misery-causing makeshifts? No More Belts, Leg-Straps or Springs We have found a way to hold any man's rupture without harmful pressure, without any belts or springs around your waist, without having to wear leg-straps. It is our guaranteed rupture holder, the only improvement over elastic and spring trusses and so-called "appliances" as the modern locomotive is over the first steam engine ever built. 60 Days' Trial to Prove It We have so much faith in it—we have seen what it has done for so many others—that we are willing to make one especially for your case and send it to you for sixty days' trial. Willing to give you plenty of time to see for yourself just how good it is. If it doesn't keep your rupture from coming out or from bothering you in any way, then you can send it back and it won't cost you a single penny. It is the only thing we know of for rupture that you can get on long enough trial to make sure; because the only thing good enough to stand a long and thorough test. All About It in Free Book Don't send any money. Just write for our free book—cloth bound, 20 pages,

rate articles, 96 pages—and find out everything you want to know. It is full of facts never before put in print. It shows just why operation is nearly always a gamble with death and why those who manage to live through it often have to keep on wearing a truss. It exposes the fakes and humbugs; puts you on guard against being fooled and against throwing money away. And it tells all about our guaranteed rupture holder—the famous Clute's Automatic Massaging Truss. Shows how simple it is. Why it needs no belt or leg-straps. How it instantly and automatically protects you against every strain, so your rupture can't be forced out. How it provides the only way ever discovered for overcoming the weakness which is the real cause of rupture. How it has brought complete cure in thousands of cases that seemed almost hopeless. How it is waterproof and will hold in the bath. How you can get it on 60 days' trial and how little it costs if you keep it. Explains the care and attention we give you and why, because of our long experience and thorough knowledge of rupture, we are successful in cases that would utterly baffle your local truss fitters. Write for the book to-day. That will take only a minute. But may free you from trouble and worry for the rest of your life. This Brings It Box 662 CLUTE COMPANY 125 East 23rd Street New York City Send me your Free Book and Trial Offer. Name Address
