Of Interest to the Woman Who Wants to Pay From \$12.50 to \$25.00 For Her Winter Suit

So many distinctive styles are represented in the Dives, Pomeroy & Stewart showing of Misses' and Women's Suits at \$12.50 to \$25.00 that it would be difficult to adequately describe them here. We do not believe that you can find garments of equal value in any store in Harrisburg. NEW LOCKER HOUSE FOR COLONIAL CLUB

Members Raise Necessary Cash at an Enthusiastic Meeting; Important Improvements

Upon the heels of the most successful golf tournament ever held upon the golf links of the Colonial Country Club, on the Linglestown road, an enthusiastic meeting of the active members of the club was held last night for the purpose of raising the necessary cash for important improvements on the club property.

Interest in golf has increased amazingly during the present summer and it is certain that every necessary requirement will now be provided before the opening of next Spring. At the meeting last night almost \$6,000 was raised by the membership within an hour to provide a new locker house, an artificial lake, the piping of the greens and some changes in the links which will make it a still more superior course. Twenty-five memberships were subscribed in a jiffy and the greatest enthusiasm prevailed throughout the meeting.

Two plans for making the golf course an almost perfect one were submitted by George F. Watt, president of the Elliott-Fisher Typewriter Company, and C. H. Hunter, advertising manager of the same company. These gentlemen are both enthusiastic golfers and their plans were thoroughly discussed by all present and unanimously adopted.

Work to Start Soon

Immediately following the meeting a special session of the board of governors was held and committees were appointed to carry out the details of the plans submitted. It is expected that work will be started in a few days.

The present locker room in the main building will be turned over to the ladies of the club and the new locker house, which will be connected with the main building, will provide at least 180 lockers, with showers and other appointments.

After the business session silver cup prizes were awarded to men in the golf tournament which ended last Saturday. M. A. Seely defeated Dr. Holmes by a slight margin in a match which went 38 holes and C. H. Kinter first eight of second sixteen, C. H. Kinter, second eight of second sixteen, C. H. Kinter, second eight of second sixteen, A. M. Brown.

The cups were presented to the winners by Dr. E. L. Denniston.

Refreshments were served and the smoker was thoroughly enjoyed by all the men present. It was one of the quickest, surest relief known and costs only 25 cents at drug stores. It acts without assistance, tastes nice, and causes no inconvenience. Don't accept a substitute.—Advertisement.
