Smart Suits With Shorter Coats For Young Women and Short Women

Broadcloths—and Many of Them With Fur Trimmings

It's a season of long coats—never doubt that. But some women certainly cannot wear them—and that's why we buy the suits with the shorter coats. They're pretty—and smart looking. Fur trimmings are very fashionable—but every woman will not want fur trimmings on her suit. We have opened both kinds. Prices are **\$15.00 to \$35.00**

Extra Special Genuine Arabian Lamb Coats, \$25.00 values, \$15

An unusual value that women will appreciate.

The coats are made of genuine Salts' Arabian Lamb—and each coat has the "Salts' Label." They are lined with yarn-dyed guaranteed satin. They are all full length and cut very full and wide. They have deep shawl collar, self lined, cuffs are satin lined. Closed with big frog.

We believe this to be the best coat bargain ever offered in Harrisburg. It is unusual because of the quality—and very desirable from a style standpoint. The sizes are from misses' size 14 to women's size 46. We have just fifty of these coats.

THE NEW DRESSES

We opened over one hundred new dresses here yesterday in black and navy serges and in combinations of Serges and Satins. The new things—the smartest yet shown in Harrisburg. Prices are **\$5.98 to \$25.00**

Come and see them—you'll drop all thought of having one made. Because when you examine the serge—look over the styles—and see the workmanship, you'll realize that you'll have so little in cash and lose so much in appearance that it won't pay to have your dress made.

There is a craze for navy blue again—probably because of war and rumors of war. And navy serges are hard to obtain. We count ourselves fortunate in being able to show you such a good assortment of dresses. See them early to get advantage of the full assortment.

Pomoir Coats—The New Fur Fabric

Pomoir is a fur imitation—so perfect an imitation that it requires very close inspection to distinguish between it and the richest fur. It is mohair—pure mohair that is not affected by dampness—nothing impairs its luster. The label "Saltex" is a guarantee of quality.
