CATARRH TROUBLE

An Inexpensive, Easily Used and

Most Effective Remedy.

Surely try Hyomei, nature's harm-less remedy for catarrh, colds, asthma, bronchitis, or croup of children — a treatment that not only gives quick and lasting benefit, but is pleasant to use

and lasting benefit, but is pleasant to use.

Hyomei is not a cure-all, but a specific for distressing catarrh and similar aliments affecting the nose, throat and bronchial tubes. It does not drug the system. You breathe Hyomei so that its antiseptic medication at once reaches the irritated and diseased muchous membrane, heals and soothes the sore spots, drives out the poison, and restores health to the delicate tissues. You can get a Hyomei outfit, which contains inhaler and bottle of liquid, from H. C. Kennedy, or any drug store—it's not expensive. Put twenty drops of Hyomei into the inhaler and breathe it a few times during the day. There is no treatment so satisfying for it instantly opens the stopped-up air passages—you breathe freely, the unclean discharges from the nose stop, and dull headaches vanish—even the worst cases respond quickly.

Mothers should always have Hyomei handy for use in case of croup and colds of the little ones. It surely gives quick relief.—Advertisement.

to Annex Belgium DEMOCRATS' BOMB London, Oct. 30, 7.51 a. m.—A dispatch to the Times from Berlin via Copenhagen asserts that preparations are being made in the German capital for the public proclamation of the annexation of Belgium.

"Partial List" of Capitol Officials Is Partial in More Ways Than One, They Say

People on Capitol Hill are making, efforts to find the architect of a pamphlet entitled "A Partial List" of the officeh olders of Penn sylva nia, which has all the earm arks of a centimeter campaign shell that it has excited unusual interest and also some amusement because of the manner in which it shows up the two Bull Moose State officials who are allies of McCormick in his gubernatorial asporations. It is shown that both Auditor General A. W. Powell and State Treasurer R. K. Young draw salaries as members of boards and that their emoluments run close to \$10,000 a year in the aggregate.

One of the funny things is that Howard W. Fry is given as a clerk in the State Department when he has been chef clerk of the Highway Department for almost a year, while a stenographer in one department, who acts as clerk to a board where Young and Powell constitute a majority, is credited with an aggregate in salaries equaling some State officials, and which, of course, he does not get. People are listed who are dead and who have not been employed on the "Hill" for months, and the salaries are just as incorrect, while some boards and offices are not even mentioned.

The prize item is the Pennsylvania Historical Commission, in which it is gravely stated that Hampton L. Carson, Philadelphia, gets \$1,200 a year and William U. Hensel, Lancaster, \$1,000. The truth is that they do not even get a per diem as members of that commission and give of their valuable time and extensive knowledge to the Commonwealth for nothing.

Home to Vote. — Practically all of the men connected with State departments who live in other places have left Harrisburg to vote. In some of the departments only the men living here are left. To-day most of the statches of the Auditor General's and State Treasurer's Departments went home.

State Treasurer's Departments went home.

Young to Speak, — State Treasurer R. K. Young left to-day to continue his speeches. He will be in Towanda and Canton to-night.

Dr. Hill Elected.—Dr. S. S. Hill, head of the Wernersville State Hospital, was yesterday elected head of the Association of Hospital Superintendents at the Danville meeting.

Colonel Barnett Here. — Colonel James Barnett, of Pittsburgh, former State Treasurer, was here to-day to see Auditor General Powell about State taxes. Mr. Powell will go home to vote late to-day.

Sick headache, billousness, coated tongue, head and nose clogged up with a cold—always trace this to torpid liver; delayed, fermenting food in the bowels or sour, gassy stomach. Poisonous matter clogged in the intestines, instead of being cast out of the system, is reabsorbed into the blood. When this poison reaches the delicate brain tissue it causes congestion and that dull, throbbing, sickening headache.

Cascarets immediately cleanse the stomach, remove the sour, undigested food and foul gases, take the excess bile from the liver and carry out all the constipated waste matter and poisons in the bowels.

A Cascaret to-night will surely straighten you out by morning. They work while you sleep—a 10-cent box from your druggist means your head clear, stomach sweet and your liver and bowels regular for months.—Advertisement.
