SampleBallot--How to Vote at Next Tuesday's Election

To vote a straight party ticket, mark a cross (X) in the square, in the first column, opposite the name of the party of your choice. A cross mark in the square opposite the name of any candidate indicates a vote for that candidate. If you desire to vote for a person whose name is not on the ballot, write or paste his name in the blank space provided for that purpose.

A cross (X) in the party square in the first column does not carry a vote for any Judge. To vote for Judge mark a cross (X) opposite the name of the candidate desired.

Any woman who desires a beautiful, clear complexion that will attract, yes; that will compel the admiration of everyone, should go to any live druggist or department store to-day and ask for a bottle of Cream Veo.

Cream Veo, and ask for a bottle of Cream Veo, cream Veo is not expensive and is simply delightful. It is made of pure, rich, heavy, olive oil as a base and besides giving to the skin that clear, healthy color it causes all irritation to disappear; removes all blackheads, and prevents and removes wrinkles.

It's fine for sunburn, too, and for crow's feet, enlarged pores, scales, shiny skin and red spots. It's a heavy liquid cream, easy to work and being a fiesh builder it fills out the hollow places and unlike many other creams will not produce hair growths. Golden Seal drug store can supply you.—Advertisement.

At that time I was impressed with your sincerity and honesty of purpose.

"Since that time I have become better acquainted with you. I have watched your course very carefully; I have read your platform and your speeches, and I am convinced that if elected you will be Governor in fact as well as in name; that you will not only sign, but that you will work for a county local option bill; that you will not stand for the control of the Republican party by the liquor interests or any other interests; that you will not be controlled or dictated to by any boss, but that you will conscientiously and honestly endeavor to serve the whole people.

"I have no hesitation in saying to my temperance friends throughout the State that they will make no mistake in supporting you. Judging from sentiment expressed in the western part of the State, I think that there is no doubt but that you will be elected by a handsome majority."
