BREAK A CHILD'S COLD BY GIVING SYRUP OF FIGS

Cleanses the little liver and bowels and they get well quick

When your child suffers from a cold don't wait; give the little stomach, liver and bowels a gentle, thorough cleansing at once. When cross, peevish, listless, pale, doesn't sleep, eat or act naturally; if breath is bad, stomach sour, give a teaspoonful of "California Syrup of Figs," and in a few hours all the clogged-up, constipated waste, sour bile and undigested food will gently move out of the bowels, and you have a well, playful child again.
If your child coughs, snuffles and has caught cold or is feverish or has a sore throat, give a good dose of "California Syrup of Figs" to evacuate the bowels, no difference what other treatment is given.
Sick children needn't be coaxed to take this harmless "fruit laxative." Millions of mothers keep it handy because they know its action on the stomach, liver and bowels is prompt and sure. They also know a little given to-day saves a sick child to-morrow.
Ask your druggist for a 50-cent bottle of "California Syrup of Figs," which contains directions for babies, children of all ages and for grown-ups plainly on the bottle. Beware of counterfeiters sold here. Get the genuine, made by "California Fig Syrup Company."---Advertisement.

[Continued From First Page]
will be "Billy" Shannon and Miss Josephine Colt, the preliminary organizers, who have been in charge of the campaign work during the last two weeks. There is a possibility that Dr. F. T. Cartwright, associate evangelist with Dr. Stough, will address the meeting.

The work of the campaign having to do with the Sunday school will be gone into in detail and the Sunday school teachers will be instructed as to how they shall proceed in the work of bringing converts into the Sunday school classes for instruction in Bible work.

RAILROAD NEWS

G. V. HAULS BIG TRAIN OF APPLES

B. & O., Too, Is Hauling an Average of Twenty-five Cars of Fruit a Day

As an indication of the amount of freight now being hauled from Berkeley and adjoining counties by the B. & O. and the C. V. railroads, it is officially stated that the C. V. several days ago hauled through Martinsburg the biggest single train of apples that ever went from that section. This train was made up of fifty-five big box cars, containing an average of 165 barrels to the car, or a total of about 9,075 barrels in the train. The apples were gathered up at the different shipping points between Winchester and Martinsburg and were destined for both eastern and southern points.

Penny Bringing East Horses For the War

The Pennsylvania Railroad Company is arranging with farmers adjacent to Columbia to shelter and feed 5,000 horses for two weeks and perhaps longer.
These horses were purchased in the West by agents of the allied armies for export to Europe for use in the war. As there will be no railroads between Philadelphia or New York for two weeks or a month, it will be necessary to care for the horses, and Columbia was selected as the place, as it is near the seaboard.
To Repair Cars at Altoona.---Hundreds of steel and wooden baggage, express, parcel post, mail and passenger cars and coaches on the Baltimore division and the Columbia and Frederick branch of the Pennsylvania will be repaired in the various departments of the Altoona car shops within the next several months, according to an announcement made by a prominent Pennsylvania official, says the York Dispatch. Instructions have been given to proceed with the work as soon as possible.
Big Coal Haul Decrease.---In September, 1914, 235,158 tons of coal less than in September, 1913, were hauled over the main line of the Pennsylvania.

BE SURE TO GET REAL RESINOL

If you want to get rid of eczema, pimples, or other distressing skin eruptions, you will accept no "substitute" for Resinol. Ointments similar in name or appearance are NOT "just the same as Resinol." Although a few unscrupulous dealers may offer them AS or FOR Resinol, they are often crudely made, of little healing power, and some may even be dangerous to use. Every druggist keeps genuine Resinol because doctors prescribe it regularly; so if you buy in the original BLUE package you will be safe from substitution. For sample free, write to Dept. 41-R, Resinol, Baltimore, Md.
