

40 CITY CHURCHES  
CLOSE FOR WEEKS

Co-operating Congregations Will  
Attend Sabbath Day Services

Services in nearly all the co-operating churches of the Stough Evangelistic Campaign will be completely or partially discontinued throughout the next six weeks beginning with to-morrow.

C. E. BUILDING ON  
BEACON HILL CROWN

Dauphin County Has Share in  
Erection of International  
Endeavor Home

The new International Christian Endeavor headquarters building will be built on one of the finest sites in the city of Boston, on the brown of Beacon Hill, adjoining the State House.

The building will provide permanent headquarters for world-wide Christian Endeavor work and save the \$5,000 now paid in rent. It will supply at least an additional \$8,000 from rentals, thus giving the United Society an assured income for world-wide extension work.

It will provide a center for Christian Endeavor activities, with social privileges for the thousands of endeavorers and their friends who visit Boston.

It will express the appreciation of the more than twenty-five years of unpaid, self-sacrificing service in every land given by the founder of Christian Endeavor, the Rev. Francis E. Clark.

To complete the fund there is a nation-wide campaign on to raise this year \$150,000 by November 10.  
Dauphin County to Help

GO TO CHURCH

Over nineteen centuries ago, the Church Universal was instituted upon earth by Christ, the Saviour of men. At that time He commanded His apostles to "go preach my Gospel to all the world".

This was the beginning of the greatest institution that the world has ever known. Barely a hand-ful of men started the conquest of an unbelieving world. Divinely inspired, they met and overcame the trials and obstacles, and steadfastly pursued their journeys preaching the Gospel and founding the church in every land.

No institution is comparable with the Christian Church. Through the storms of civil and national strife; through wars instituted against her; through attempts made to destroy her book, the church has come unscathed and to-day stands as the greatest benefaction of man. And so until the end of time she will stand.

The church is to-day propagating the work started by Christ when He was upon earth. The ministers are His messengers; the lessons He taught are the lessons they teach. The invitation of come to church is His invitation "follow Me".

The church stands for the highest and best in life and points the way to the redemption and salvation of man. If you have neglected the church; just reflect that you are not associated with the greatest and best of to-day—you are not getting the most and the best out of the years that are yours.

Every church invites you to her services regularly. It isn't too late to make the start. But do not put the resolve away with the thought that next Sunday will be the time you will go—next Sunday for you may never dawn. There is but one right time to start and that time is to-morrow.

A little advice: If there is any church to which you belong, go there. If you have no church connections go to the church nearest you.
