A WARNING TO MANY Some Interesting Facts About Kidney Troubles

Few people realize to what extent their health depends upon the condition of the kidneys. The physician in nearly all cases of serious illness, makes a chemical analysis of the patient's urine. He knows that unless the kidneys are doing their work properly, the other organs cannot readily be brought back to health and strength.

Young Train Rider Killed and His Companion Injured

Lebanon, Pa., Nov. 3.—Earl Shay, the 17-year-old son of Mr. and Mrs. Harry G. Shay, of this city, met a terrible death near Manheim on Monday morning and his companion, Charles Kiscadden, 20 years old, also of Lebanon, was seriously hurt, when they were struck by an overhead bridge, while riding on a Cornwall railroad freight train.

MOTORCYCLE RIDERS INJURED

Lebanon, Pa., Nov. 3.—John R. Embich and Paul Weigley were brought to their homes in this city, suffering from painful bruises suffered in an accident at Harrisburg. The young men were riding tandem on a motorcycle when they collided with an automobile on the Mulberry street bridge at the Capital City. Embich, while severely hurt about the legs, is able to be about, but his companion has been confined to bed ever since the accident.

Sore Throat Don'ts.

When the children have sore throat, don't blister their necks with lamp oil. Don't torture them with a foul smelling piece of fat meat, wrapped about the neck. Don't imagine there is medical virtue in an old sock or piece of red flannel. Don't believe in antiquated superstitions.
