Every Woman Will Eventually Wear a Front Laced Corset Because of Its Extreme Ease of Adjustment

There are features in the Frolaset front-laced corset that must, of necessity, appeal to the woman of fashion.

These features are the perfect-fitting back, the absence of any corset restraint, the ease with which the corset may be put on, taken off or adjusted, because of the front lacing principles—a principle to which every woman will ultimately be connected, and above all the graceful figure which is acquired with the lines on which the Frolaset is designed.

Every type of figure can readily be fitted in a Frolaset.

Sold only in Harrisburg at our Corset Section, \$3.50 to \$15.00
