Best Treatment For All Complexion Ills

I'll tell you my panacea for all complexion troubles. If the skin be colorless, sallow, muddy, over-red, if it be rough, chapped, blotchy, pimply or freckled, there's nothing that will so surely overcome the condition as ordinary mercurial. It is a beautifying, literally takes off a bad complexion--absorbs the dead and near-dead particles of surface skin, so gently, gradually, you experience no inconvenience at all. A new complexion is then in evidence, one so clear, spotless, delicately soft and beautiful, you look many years younger. One ounce of this wax, procurable in any drug store, will rejuvenate even the worst complexion. It is smeared on like cold cream before retiring and removed morning with warm water. The mercurial wax habit is a healthier and more economical one than the cosmetic habit. If the skin be wrinkled or creased, bathe it daily in a solution made by dissolving an ounce of powdered litherite in a half pint witch hazel. This acts immediately, affecting even the deepest wrinkles--Elsie Desmond, in Beauty's Mirror.
