

A Big Purchase

of Men's and Young Men's High-Grade Suits Brings Us Exceptional Values at

\$15 AND \$20

Really Worth \$20 Really Worth \$25

Once more this Big Clothing Store demonstrates its ability for superior value-giving. Once more through advantageous buying we are able to offer men and young men of Harrisburg and environs an unequalled suit-value.

The unprecedented warm weather and general trade conditions caused one of the largest manufacturers of high-grade clothing to make us an extraordinary price concession. We were quick to take him up--the suits are here--beautiful Worsteds, Cassimeres and Cheviots in every fashion-approved model to meet each and every individual requirement.

If you see these suits your own good judgment of qualities and values will make you appreciate the importance of this unusual offering better than "printers' ink." Every suit is backed up in every detail by THE GLOBE LABEL--which means satisfying satisfaction.

GLOBE BALMACAANS--

Those fashionable, sensible, utility coats now so generally worn by young men and older ones, too, prove that the Balmacaan is the most popular coat ever made. A large shipment just in reveals many new and striking patterns in rough Scotch weaves--the real Balmacaan style--tailoring of the highest excellence.

- Dent's and Fownes' Gloves in Capes and Mochas at \$1.50, \$1.75, \$2.00
- Fownes' Doette Gloves at \$1.00
- Dent's Washable Doeskin Gloves at \$2.50

Boys' Right-Posture Suits, \$7.50, \$10 & \$12.50

These are the health suits endorsed by the American Posture League--an association of eminent physicians, educators and orthopaedic surgeons--you have their word for it that RIGHT-POSTURE SUITS are health builders. In the back of the coat is an elastic webbing which warns away that nasty stoop habit and insures the lungs free play. Made of strong, sturdy fabrics in snappy Norfolk styles. Remarkable values at \$7.50, \$10 and \$12.50.

Boys' Balmacaans, \$7.50, \$10 & up to \$15

Balmacaans are immensely popular with the boys. They're quite the right thing. Made of strong, sturdy, wear-resisting Scotch fabrics in beautiful mixtures and striking plaid effects. Raglan shoulders and military collar to button close to neck when the wind whistles--body is full and flowing--lined only in neck, sleeves and shoulders yet it's mighty warm and comfortable. THE GLOBE values cannot be matched at \$7.50, \$10, \$12.50 and \$15.

GUN DESCRIBED IN 1893

The Hague, via London, Nov. 6, 8.20 A. M.--The famous German centimeter gun, which has been reported as a modern invention, appears to have been described in the German magazine Prometheus in the year 1893. The article at the time gave the weight of the gun and the velocity and effects of the shots and this information was extensively quoted in scientific magazines issued during the same year.

BIG EATERS GET KIDNEY TROUBLE

Take Salts at first sign of Bladder irritation or Backache

The American men and women must guard constantly against kidney trouble, because we eat too much and all our food is rich. Our blood is filled with uric acid which the kidneys strive to filter out; they weaken from overwork, become sluggish; the eliminative tissues clog and the result is kidney trouble, bladder weakness and a general decline in health. When your kidneys feel like lumps of lead; your back hurts or the urine is cloudy, full of sediment or you are obliged to seek relief two or three times during the night; if you suffer with sick headache or dizzy, nervous spells, acid stomach, or you have rheumatism when the weather is bad, get from your pharmacist about four ounces of Jad Salts; take a tablespoonful in a glass of water before breakfast for a few days and your kidneys will then act fine. This famous salt is made from the acid of grapes and lemon juice, combined with lithia, and has been used for generations to flush and stimulate the clogged kidneys; to neutralize the acids in the urine so it no longer is a source of irritation, thus ending bladder disorders. Jad Salts is inexpensive; cannot injure, makes a delightful effervescent lithia-water beverage, and belongs in every home, because nobody can make a mistake by having a good kidney flushing any time. TURNPIKE CO. MUST MAINTAIN ITS ROAD

Complaint Is Made to Public Service Commission--Operates in Mifflin

The Public Service Commission to-day issued its first order to a turnpike company to make improvements, the West Kishacoquillas Turnpike Road Company, which operates in Mifflin county, being directed to properly maintain its road. The complaint was made by S. Herman Zook, who alleged that the tolls charged were unjust and that the road was not properly kept up.

The commission holds that the tolls are not excessive, but that the state of the road requires that it be given attention. The company is directed to remove breakers, put in cross drains under the surface and make regular annual repairs.

After hearing more testimony in the Bell Telephone Company case to-day the commission adjourned to meet to-morrow in Philadelphia, where the New York Central merger will be taken up.

Trustees Reappointed.--Governor Tener to-day reappointed the following trustees: Farview State Hospital for the Criminal Insane, James L. Marsteller, Allentown; E. A. Jones, Scranton, and H. A. Denney, Montrose; Morgantown School, Theodore A. Straub, Washington county. Marysville Magistrate.--Justices of the peace were named to-day by the Governor as follows: William R. De? Marysville, Perry county; Charles Bell, Sharon; William J. Rau, Smith township, Washington county, and E. G. Cope, North Huntingdon township, Westmoreland county. Walter Irwin Isenberg was named as alderman of the Seventh Ward, Altoona.

New Policemen.--Jonas Pezer and George Ream, Lebanon, were appointed

ed as special policemen for the American Iron and Steel Manufacturing Company at Lebanon.

Inspecting Bridge.--Superintendent Rambo and Secretary Rogers, of the Board of Public Grounds and Buildings, are in Sharon to-day inspecting the new State bridge with the engineers.

Senator Here.--Senator Walter McNichols, of Scranton, was at the Capitol to inspect conditions. Chief Engineer Snow, of the Public Service Commission, will go to Halifax to make an inspection of conditions attending the lack of water. The people of the town complain that it is without water at all.

Named Notary.--Miss Villa M. Baker, of this city, has been appointed a notary public.

Payment by Gas Company.--The Natural Gas Company, of Oil City, has paid the State \$85,000 in State taxes.

Quarantine Changed.--The State Livestock Sanitary Board to-day amended its quarantine for the foot and mouth disease, removing the restrictions from Snyder and Northumberland counties and adding Delaware.

Provisions against handling of hides and skins, hay and fodder without special authorization of the board were also issued. The quarantine is now established and cattle are being killed in Allegheny, Lancaster, York, Chester, Montgomery, Franklin, Lebanon and Bucks counties.

First Counties In.--Cameron and Montour counties were the first to file official returns of elections of Tuesday at the State Department.

Principals Meet.--Principals of the State Normal schools met at the Capitol to-day for discussion of problems attending their work. State officials addressed them.

Commission Meets.--The State Forestry Commission to-day received reports showing that fires had not swept State reserves, but were very close to them in some counties.

received of the fate of the British warships reported to have been damaged during the bombardment of the Dardanelles further than the official Turkish announcement that the vessel was struck by a shot from one of the forts that an explosion on board resulted. A British steamer is said to have been sunk off Avial, Asia Minor and two British vessels are reported to have been seized by the Turks at Smyrna.

The British and Japanese forces attacking Tsing-Tau are concentrating their efforts according to official announcement in Tokio toward the capture of outlying German forts, which must be taken before the attack on the main positions is inaugurated.

Russia's long cherished hope of extending the sphere of Slavonic control to the Dardanelles has received fresh vigor as a result of Turkey's participation in the war. In the Russian press the name of Constantinople has been replaced with the old Slavonic name of Tzargrad.

BRUSSELS IS FINED \$1,000,000 Two Belgians Sent to Prison For Maltreating Soldier

The Hague, via London, Nov. 6, 1.10 A. M.--There has been received here a copy of a German military decree issued in Brussels on October 28 and ratified on November 1 by Field Marshal Von Der Goltz, military governor of the occupied part of Belgium, condemning two Belgian policemen to two and five years imprisonment, respectively, on the charge of maltreating a German soldier.

The same degree fined the city of Brussels five million francs (\$1,000,000) because it was alleged, citizens participated in this affair.

TO DARKEN HAIR APPLY SAGE TEA

Look Young! Bring Back Its Natural Color, Gloss and Thickness

Common garden sage brewed into a heavy tea with sulphur and alcohol added will turn gray, streaked and faded hair beautifully dark and luxuriant, remove every bit of dandruff, stop scalp itching and falling hair. Just a few applications will prove a revelation if your hair is fading, gray or dry, scraggly and thin. Mixing the Sage Tea according to recipe at home, though, is troublesome. An easier way is to get the ready-to-use tonic, costing about 50 cents a large bottle at drug store, known as "Wyeth's Sage and Sulphur Compound," thus avoiding a lot of fuss.

While wispy, gray, faded hair is not sinful, we all desire to retain our youthful appearance and attractiveness. By darkening your hair with Wyeth's Sage and Sulphur, no one can tell, because it does so naturally, so evenly. You just dampen a sponge or soft brush with it and draw this through your hair, taking one small strand at a time; by morning, all gray hairs have disappeared, and, after another application or two, your hair becomes beautifully dark, glossy, soft and luxuriant. OUCH! BACKACHE! RUB LUMBAGO OR STIFFNESS AWAY

Rub pain from back with small trial bottle of old "St. Jacob's Oil"

When your back is sore and lame or lumbago, sciatica or rheumatism has you stiffened up, don't suffer! Get a small trial bottle of old, honest "St. Jacob's Oil" at any drug store, pour a little in your hand and rub it right on your aching back, and by the time you count fifty, the soreness and lameness is gone.

Don't stay crippled! This soothing, penetrating oil needs to be used only once. It takes the pain right out and ends the misery. It is magical, yet absolutely harmless and doesn't burn the skin.

Nothing else stops lumbago, sciatica, backache or rheumatism so promptly. It never disappoints! Advertisement.

TECH TO MARCH TO GAME

The entire student body of the Technical High School will march over to the game on the island to-morrow. Practice for the cheering will be had this morning in the auditorium. The Tech band, organized recently, will furnish the noise.

SYRUP OF FIGS FOR CROSS, SICK FEVERISH CHILD

If little stomach is sour, liver torpid or bowels clogged

Mothers can rest easy after giving "California Syrup of Figs," because in a few hours all the clogged-up waste, sour bile and fermenting food gently moves out of the bowels, and you have a well, playful child again. Children simply will not eat the time from play to empty their bowels, and they become tightly packed, liver gets sluggish and stomach disordered. When cross, feverish or restless, if tongue is coated, then give this delicious "fruit laxative." Children love it, and it cannot cause injury. No difference what ails your little one--if full of cold, or a sore throat, diarrhoea, stomach-ache, bad breath, remember, a gentle inside cleansing--should always be the first treatment given. Full directions for babies, children of all ages and grown-ups are printed on each bottle.

Beware of counterfeit fig syrups. Ask your druggist for a 50-cent bottle of "California Syrup of Figs," and read carefully and see that it is made by the "California Fig Syrup Company." We make no smaller size. Hand back with contempt any other fig syrup. Advertisement.

CUT THIS OUT

Famous Recipe For Catarrhal Deafness and Head Noises

If you know of someone who is troubled with head noises, or catarrhal deafness, cut out this formula and hand to them, and you will perhaps have been the means of saving some poor sufferers from total blindness. Investigation has proven conclusively that catarrhal deafness, head noises, etc., were usually directly caused by constitutional disease, and that salves, sprays, inhalers, etc., merely temporize with the complaint, and seldom, if ever, effect a permanent cure. This being so, much time and money has been spent in vain in perfecting a poor, gentle, yet effective tonic that would quickly dispel all traces of catarrhal poison from the system. The effective prescription which was eventually formulated and which has aroused the best of the profession, and which will soon be extinct, is given below in understandable form, so that anyone can treat themselves in their own home at little expense.

Secure from W. H. Kennedy or any other reliable source in Harrisburg, Pa., Parnint (Double Strength), about 75c worth. Take this strength, and add to it 1/2 pint of hot water and 1 oz. of granulated sugar; stir until dissolved. Take one tablespoonful four times a day.

The first dose should begin to relieve the distressing head noises, headache, dullness, cloudy thinking, etc., while the hearing rapidly returns as the system is invigorated by the tonic action of the rest of the hot water and sugar, which are overcome by this efficient treatment. Nearly ninety per cent. of all ear troubles are said to be directly caused by catarrh, therefore, there must be many people whose hearing can be restored by this simple home treatment. Every person who is troubled with head noises, catarrhal deafness, or catarrh in any form, should give this prescription a trial. Advertisement.
