TO AVOID CATARRH OR BREAK UP A COLD
Use Hymel, a Simple, Harmless Remedy That Instantly Relieves.

At the first symptom of catarrh such as sniffles, fits of sneezing, raising of mucus, itching of the nose, or that choked-up feeling in the morning, surely take immediate steps to counter the disease. Catarrh is not only distressing, unclean and annoying, but a serious ailment. Delayed treatment frequently causes deafness, and unchecked catarrh surely destroys the hearing.

One of the easiest, simplest and least expensive remedies to check catarrh and break up a cold is Hymel—a quick-acting, harmless and most efficient treatment, which can be had at any drug store.

Just put a few drops of this antiseptic and healing liquid into the small inhaler that comes with every Hymel outfit, and breathe its balsamic and health-restoring fragrance a few minutes four times a day. This medicated air immediately soothes the inflamed tissues, and effectively drives out the poison. Just a few minutes' use of this most helpful remedy opens the stuffed air passages, clears the head and throat of unpleasant discharges—you breathe freely, and immediately feel better.

Hymel is sure to relieve, and give lasting benefit. H. C. Kennedy sells it and will return your money if you are not entirely satisfied.—Advertisement.

Climate Failed: Medicine Effective
Sufferers from Tuberculosis often think that medicine will not help them. Fresh air, regular habits and good food in restoring health, but more is often needed. Many have been restored to health by Eckman's Alternative, read this:—

Weldon, Ill.

Three weeks later I returned home, weighing 103 pounds, the doctor having given me no assurance of reaching there alive. On July 14, 1905, I began taking Eckman's wonderful remedy for Lung Trouble. Now I am stout and well and can do any kind of work about my grain elevator." (Abbreviated.)

DEMOCRATS MAKE FOR CHANGE AROUND

Old Guard Planning to Do Things; Reorganizers to Take Revenge For Defeat

The Philadelphia Press, which speaks by the book on Democratic matters as a rule, has this to say to-day: "Demoralized Democracy is to make an effort to recover from the wreckage of the Tuesday election. Still asserting itself as the 'Unterrified' Democracy, at least that part known as the Old Guard and which says it is the only duly constituted Democratic organization in the city, it is arranging to hold a celebration and banquet on the anniversary of the battle of New Orleans and the victory of Democracy's patron saint, Andrew Jackson. It falls on January 15, and being the centennial anniversary, special efforts will be made to make the occasion an important one. An olive branch, which may or may not disguise a dagger, will be held out to the Reorganizer faction.

"But the Reorganizer faction, meanwhile, is merely marking time for the purpose of ascertaining where it is 'at.' Yesterday the headquarters of the Palmer-McCormick League, at Broad and Sanson streets where the Reorganizer faction forgot—before election but not since—was closed. "Reorganizer Democrats are hopeful that they will be able to maintain an organization here. Of course, the name 'Palmer-McCormick League' will be changed, for obvious reasons. The suggestion has been made that the new organization be called the Philadelphia Auxiliary to the Democratic State Committee, which is under Reorganizer control. It is even hinted that an effort will be made by the State committee to 'wipe out' the Tenth and Walnut streets crowd, the headquarters of the Old Guard.

"Old Guard Democrats claim that under the recent decision of Judge McCarrill in the Dauphin County Court, setting aside the proposed Democratic-Bull Moose legislative fusion ticket in the Seventeenth District, because nominations were made by the Reorganizer committee, the Old Guard organization has nothing to fear, and that it cannot be supplanted by any Reorganizer Auxiliary or other committee."

STOUGH DECLARES HE WILL HELP BUSINESS

Says That He Is the Best Collecting Agent That Could Be Brought In

"I come to your town under a cloud of suspicion because the devil has come ahead of me with a pack of lies which I must combat against," said Dr. Stough last night at the reception and banquet tendered him by the business and professional men of the city in the Board of Trade hall. "I am speaking to you to-night as hard-headed business men on the cold-blooded business proposition of what benefits in a material and commercial way you may expect from the evangelistic campaign, recently in the manner it has worked out in other places. In the first place, I can say I am the biggest and best collecting agent that ever came to town. By my preaching of general morality, honesty and rectitude, I have been able to pay their debts. You will find that more bad debts will be paid than the total amount this campaign will cost."

Other Benefits to Business
Other benefits enumerated are a betterment in the type of employees, more efficiency in workmen, with an increase in the number of factories, fewer accidents as a result of better physical condition of men abstaining from liquor.

Local Men Speak
W. S. Essick was toastmaster. The Rev. N. N. Yates responded to the toast "The Ministry" and said that although the minister's position is a hard one for many people to understand it is a man's job. O. P. Beckley, representing the business men, declared he believed the business men of the city favor the campaign from a selfish standpoint, and that most of them are men who think that true success depends on a Christian life. Dr. J. W. Ellinger, speaking from a physician's standpoint, said that Christianity and the healing art have always been inseparable and that Christ himself was the greatest physician. He compared Dr. Stough to a great specialist called in to aid the home ministers.

Harry M. Bretz, school director, spoke on behalf of the municipal government in place of Daniel S. Seitz, who was unable to attend. 150 men were present and after the prayer and benediction in a body to the tabernacle to hear the sermon of Dr. Stough. Those present included: G. E. Zellers, J. CASTORIA For Infants and Children. The Kind You Have Always Bought. Bears the Signature of Charles H. Fletcher

OLD age can be made the period of greatest happiness, but complete good health is necessary. As age advances the stomach and bowel muscles lose their elasticity and no longer respond readily. The result is constipation, or dyspepsia, biliousness, sour stomach, bloating, drowsiness after eating, belching, headache, etc. The foregoing was about the condition that Mr. Wm. A. Roecker, 64 Vienna St., Rochester, N. Y., found himself in some time ago. A good friend persuaded him to take Dr. Caldwell's Syrup Pepsin, a widely known laxative-tonic that has been on the market for two generations. After a brief use of it he writes that if he had the last bottle obtainable he would not part with it for a hundred dollars—and Mr. Roecker is not an especially rich man either—for he considers himself entirely well. Another noteworthy case is that of Mrs. Margaret Barringer of Newark, Ohio, who is 82. Dr. Caldwell's Syrup Pepsin is without doubt America's greatest household remedy. Its mild action recommends it especially for babies, women and old folks, for these should not take drastic cathartics and purgatives such as pills, powders, salt waters, etc. Your druggist sells Syrup Pepsin at fifty cents and one dollar a bottle, and you should always have a bottle in the house. Thousands of old users always have the dollar size, as it is more economical. Results are guaranteed or money will be refunded. Coupon For FREE SAMPLE
Dr. Caldwell is glad to send anyone who has never tried his remedy, a free sample bottle for personal investigation. Simply clip this coupon and enclose in an envelope with your name and address plainly on a postcard, and mail it to Dr. W. B. Caldwell, 67 Washington St., Monticello, Ill.
