TO HAVE BEAUTIFUL HAIR--NO DANDRUFF

Use Parisian Sage. It Makes the Hair Soft and Fluffy, Surely Stops Itching Head.

Stops Itching Head.

If your hair is anything short of perfect, if it is losing color, too dry, brittle, thin, or if the scalp burns and itches, immediately begin the use of Parlsian Sage The first application removes all dandruff, cools and invigorates the scalp, and beautifies the hair until it is gloriously radiant.

Parisian Sage supplies all hair needs and does not injure either the hair or scalp. It contains the exact elements needed to make the hair soft, wavy, glossy, and to make it grow long, thick and beautiful. It is delicately perfumed—not sticky or greasy—and can be had at H. C. Kennedy's or any drug or toilet counter.

Parisian Sage acts instantly—one application stops the head from itching and freshens up the hair. You will be surprised and delighted with his helpful toilet necessity, for nothing else is so good for the hair and scalp, and nothing so quickly beautifies the hair, giving it that enviable charm and fascination. Parlsian Sage is one of the quickest acting hair tonics known—inexpensive and easily used at home.—Advertisement.

Seventeen head of cattle, three horses and four mules were led from the building before the flames reached them. Sixty tons of hay, 40 tons of straw, 400 bushels of pats, a binder, reaper, hay ladder, mower, two drills and a lot of other farming implements and feed was destroyed.

The fire was discovered at 6 o'clock this morning by John Derick, son of Frederick Derick, the tenant on the farm. He spread the alarm and a bucket brigade was formed. For more than an hour several hundred men attracted to the scene fought valiantly to save the building. Their efforts, however, were useless and the barn burned to the ground. Dr. S. C. Swallow, a prominent retired minister of the Central Pennsylvania conference of the Methodist Episcopal Church and an attendant of the Ridge Avenue Church where he served as former pastor for five years, is one of the "amer" ministers in the preachers' gallery. When the doctor sees eight thousand comfortably seated in the tabernacle, and hundreds, if not thousands, turned away for want of room he says "I told you so."

When he saw Dr. Stough lying down and rolling around on the platform in imitation of one of the old prophets he was asked, "do you still stand for Stough." and answered, "Yes, I will stand by him if I have to stand on my head to do it."

Mrs. E. A. Riegle, who has charge of the woman's work committee, deserves must credit for the excellent work accomplished among the women. During the building of the tabernacle this committee prepared good dinners for the workingmen and served many lunches and hot coffee for several days. Mrs. Reigle is teacher of a Sunday school class of the Park Street United Evangelical Church and president of the Women's Christian Temperance Union of Dauphin county.
