THREE BIG STARS IN GETTYSBURG COLLEGE LINE-UP

With the exception of Eischeid, every man in the Gettysburg line-up on Saturday will be a varsity star. Coach George Cockill, of Bucknell, sends word that he will come to Harrisburg with his regulars. There is some doubt as to Gdianec being in Bucknell's line-up. This boy was last season's big star and is looked upon as an important factor for Saturday's game. He has been nursing a sore arm. The Gettysburg stars in whom local supporters are interested are pictured above. Reading from left to right they are: Captain "Bearcat" Scheffer, former Tech star, who will play end for the team; Hoar, who won many laurels as a member of Harrisburg Academy eleven, will be in his quarterback position, and Mehafee, who has been out of the game, but will return to the back field and add strength to the team.

SCHOLASTIC GAMES FOR NEXT SATURDAY

Tech High Will Meet Williamsport; To "Get Beck"; Central Plays Stevens

Local scholastic teams will have hard games Saturday. Neither Central or Tech will play at home. Central meets Stevens Trade School at Lancaster. This year the Stevens eleven has been cleaning up every team it meets. Tech goes to Williamsport. Here is how the Harrisburg eleven is rated in "Billtown," according to the Williamsport Gazette-Bulletin: "High is preparing for its hardest struggle of the football year. Harrisburg Tech will play the Cherry and White on the new athletic field next Saturday. "This team comes with the best record of the year. Last Saturday Tech defeated the strong Allentown High team by the overwhelming score of 48 to 0. Beck, the captain, is probably the best all-around athlete to be seen here this year. Last Saturday he scored four touchdowns for Tech, one being after a run of eighty yards. That he will be a marked man and that High's motto is "Get Beck" is plainly heard at practice, both from the coaches and the players themselves." Steelton high will entertain Wilkes-Barre high at Steelton. Another interesting home game will be on Academy field between the Harrisburg Academy eleven and the Lebanon Valley Reserves.

Houck to Meet Wagner; First Ring Engagement

Leo Houck, the Lancaster middleweight, will make his season's debut in his home town, Monday night, November 16.

Houck's opponent will be Kid Wagner, the rugged Wilkes-Barre lad. Houck has met the best men in the middleweight class in America, and Wagner has a very good record as his opponents have been the very best men. He has won twice each from Battling Levinsky and Jack McCarron; four times from George Ashe and has bested George Chip, Tim O'Neil, Jack Fitzgerald, K. O. Brennan, Peck Miller, Jack Blackburn and Jimmy Tighe. He stopped the last three named inside of two weeks. Tim Dronney boxes Johnny Ferguson, of Philadelphia, and Young Ritchey will go against Johnny Gill, of York.

CARLISLE HOTEL CLOSED

Carlisle, Pa., Nov. 11.—The Washington House, for many years a licensed hotel conducted by the Sheaffer family, has been closed. For the past few weeks the bar only remained open and the conduct at the place was such that it was ordered closed by the county court.

MINORS REFUSE TO RECOGNIZE OUTLAWS

Will Stand by Organized Baseball; Pass Iron Bound Resolutions

Special to The Telegraph
Omaha, Neb., Nov. 11.—Unless there is a switch in minor league circles today, the Federal League will have to look elsewhere for reinforcements. Not only was emphatic action taken yesterday endorsing organized baseball, but leaders of every minor organization gave notice that prompt action would be taken to prevent any invasion by the Feds. At the meeting today further action will be taken for the better protection of the minors. A resolution was adopted in the presence of Garry Herrmann and Ban Johnson of the National Commission, in part as follows: "Whereas, the practice of encouraging and inciting certain ball players to disregard their obligations to organized baseball has raised a doubt in the minds of the public as to the honesty and integrity of ball players as a class, be it Resolved, That we, the representatives of organized baseball in the minor leagues, at this first session of our fourteenth annual meeting, most emphatically and unequivocally reaffirm our allegiance to organized baseball as the ideal condition for the future prosperity of the great national game."

"Take it from me—I know!"

You swing on some real tobacco!

If you're a red-blooded citizen, you beat it across the fields to a tidy red tin of Prince Albert and get some smoke joy jammed into that system of yours.

Because P. A. was produced to put a new high top record on pipe and cigarette liberty. You can smoke it until the cows come home, it can't bite your tongue, can't parch your throat. And that's a fact!

PRINCE ALBERT

the national joy smoke

is made by a patented process that cuts out the bite and the parch and just puts in the joy wallop—flavor, fragrance. Me-o-my, but what fun there's coming to the man who's game enough to match a dime against a tidy red tin of Prince Albert—tobacco that cost three years and a fortune to perfect!

Just kind o' let it sink in that you nor any other man anywhere ever did pack a pipe or roll a cigarette with such tobacco. P. A. is a revelation—a tobacco revolution that sure certain will smash joy right into your smoke department.

And today's fine for a go-to-it try-out!

Prince Albert is sold everywhere in tippy red bags, 5c; tidy red tins, 10c; also in handsome pound and half-pound humidor.
